

## Using Home Access Center

Home Access Center (HAC) is a browser-based student information system that allows you to view student grades, attendance and scheduling information as it is entered in the school district's database. Parents / Guardians and Students can use Home Access Center to view student information.

### Home Access Center Menu

The menu options in the Home Access Center banner provide access to HAC's main pages. Clicking an icon displays a page with related tabs, each of which is a self-contained page of information on your student. For example, the  Grades option displays a page with tabs on Interim Progress Reports (IPR), Report Cards, and other subjects associated with grading. Clicking a tab displays the page indicated. Most HAC pages also include links that when clicked, display a window with additional details.

The following pages can be accessed using the menu options in the HAC banner.

 <b>Home</b>	
Week View	Displays a student's attendance, scheduling, and grades for the current week. Previous and future weeks can also be displayed. Links are provided for viewing details on individual courses, accessing student fee information, and emailing teachers.
Calendar	Displays a month-view of the student's attendance, scheduling, and grades. Checkboxes are provided for configuring the type of information that displays, while buttons are included for changing the calendar to a daily or week view. Previous and future months can also be displayed.
 <b>Attendance</b>	
Month View	Displays a month-view of the student's attendance that can be toggled to access all months within the current school year. A color legend identifies the type of attendance displayed. Place the mouse pointer over a day to view more detailed information on absences and tardies.

	
<b>Classes</b>	
Classwork	<p>Displays course assignments, including the dates assigned, due dates, categories, potential points, and scores for the Gradebook assignments available in a class. When assignments are ordered by class, class average information is shown below the student's list of assignments.</p> <p>Teachers can select whether an assignment and its score should be published for HAC. However, unpublished assignments may be included in the student's averages for a course.</p> <p><b>**Most LISD Teachers use Google Classroom, so the Classwork feature may not be utilized fully at this time.**</b></p>
Schedule	Displays the student's schedule for the entire year. Dropped courses may also be displayed. You can also select to display the list of requests for the next school year in a separate section at the bottom of the page. Links are provided for viewing detailed course information and sending emails to teachers.
	
<b>Grades</b>	
Interim Progress Report	Displays the student's most recent interim progress report, including courses, marks, and comments for an Interim Progress Report (IPR) run based on information in the IPR data warehouse. If comments were entered for the student, a comment legend displays below the course information. In addition, you can select to view any previous IPR run for the current year for which the data warehouse is available.
Report Cards	Displays information from the student's most recent report card run. The page lists marks, comments, and absences related to the student's courses or competencies.
Test Scores	Displays all standardized test scores stored for the student in the eSchoolPLUS Test Center.
	
<b>Registration</b>	
Demographic	Displays the student's basic demographic information.

	
<b>User Options</b>	
My Alerts	Allows guardians and students to subscribe to alerts for sending emails on grades. <i>Additional functionality coming in September 2019.</i>
My Account	Allows guardians and students to change their HAC passwords and modify the challenge questions that are asked when users forget their passwords.
Logoff	Closes the current HAC session, and returns you to the Log On page.
Change Student	Allows guardians who have two or more students to display a pop-up window for selecting another student.

### View another student

If you are a guardian for multiple students, you can quickly change the student you are viewing.

1. In the Home Access Center banner, click **Change Student**.
2. On the Choose Your Student pop-up, select the student to display.
3. Click **Submit**.

### Attendance Month View Page

The Attendance Month View page enables you to view your student's attendance during any month in the current school year. If your student was absent or tardy on a date, the day will display with a colored background. The Color Legend below the month indicates the type of attendance each color represents.

To display the Month View page, click  **Attendance** on the HAC menu.

### Change months

- To navigate from month to month in the current school year, use the **<< >>** arrows at the top left and right of the calendar.

### View attendance details

- To view details for a date when your student was absent or tardy, move your pointer over the day. A tooltip displays the type of attendance entered by the office or teacher for the periods affected.

## Calendar Page

---

The Calendar page provides a month view of the following information on your student:

- Class Assignments
- Class Events
- Activity Events

To display the Calendar page, click  **Home** on the HAC menu, then click the **Calendar** tab.

### Customize calendar information

- To hide or display the Filter pane, click the  Filter icon.
- To include or exclude information on the calendar, check or uncheck the appropriate boxes in the Filter pane on the left.
- To collapse the pane's Filters, Calendars, or Values section, click the section's  down symbol. To expand a collapsed section, click the section's  up symbol.

### Change calendar views

- To display other months, use the  arrows to navigate forward or backward a month at a time.
- To display the week view for the current week, click **Week**. To display other weeks in the calendar's week view, use the  arrows to navigate forward or backward a week at a time.
- To display the day view for the current day, click **Day**. To display other days, use the  arrows to navigate forward or backward a day at a time.
- To return to the current month, week, or day in the above views, click **Today**.

## Classwork Page

---

Use the Classwork page to view your student's assignments for classes. This page only includes assignments and scores that teachers have selected to publish. **\*\*The majority of LISD teachers utilize Google Classroom, and this feature may not be heavily used at this time.\*\***

To display the Classwork page, click  **Classes** on the HAC menu.

### Quick View versus Full View

Two views have been provided for assignments. You can switch your view by clicking the appropriate button:

- **Quick View** - Displays basic assignment information to help you get an at-a-glance view of upcoming assignments and how your student scored on completed assignments.
- **Full View** - Displays additional fields related to averaging assignment scores so you can see more detail about your student's average for the class.

### View assignments by class

1. If you have an option to select Course or Competency Groups, select Course.
2. In the Show field, select (All Classes) or a specific class.
3. In the Report Card Run field, select the report card run to display.
4. In the Order by field, select Class.
5. Click **Refresh View**.

### View assignments by due date

1. In the Order by field, select Date Due.
2. Click **Refresh View**.

### View course detail

- Click the link in the course header for the course you want to view. The pop-up displays the course code, name, building, department, teacher, room, periods, days, and marking periods. The link only displays if you have selected to order assignments by Class.

### View course attachments

- Click the link in the course header for the course you want to view. The pop-up includes a link to any attachments the teacher may have added for the course.

## View assignment detail

- Click the assignment link for the assignment you want to view. The pop-up displays the course, assignment description, category, date assigned, date due, points, weight, and extra credit information for the assignment. In addition, this pop-up include any attachments the teacher may have added for the assignment and the rubric used to grade the assignment, if appropriate.

## Demographic Page

---

The Demographic page includes the following sections listing information on your student:

- **Demographic** - Basic data, such as the student's name, birth date, student ID, building, language, and homeroom teacher.

To display the Demographic page, click  **Registration** on the HAC menu.

## Interim Progress Report Page

---

The Interim Progress Report page displays your student's most recent Interim Progress Report (IPR), if available. The report includes the student's courses and descriptions, class periods, teachers, rooms, interim progress marks, and comment codes. The legend at the bottom of the page provides a key to the comments entered for your student.

To display the Interim Progress Report page, click  **Grades** on the HAC menu.

## View IPR details

- To view additional details on a course, click its description link to display the Home Access Course window.

## View previous IPRs

- To display an IPR from an earlier period, select the period in the View the Interim Progress Report for Reporting Period field. This field displays only if another IPR is available.

## Report Card Page

---

The Report Card page displays your student's most recent report card, if available. The report includes the student's courses and descriptions, class periods, teachers, rooms, credits attempted and earned, attendance, grades, and comment codes. A grading scale is provided to explain certain marks, while the legend at the bottom of the page provides a key to the comments your student has received.

To display the Report Card page, click  **Grades** on the HAC menu, then click the **Report Card** tab.

### View report card details

- To view additional details on a course, click its description link to display the Home Access Course window.
- If a mark displays as a link, click the link to display the Classwork window. The window lists assignment dates, scores, points for classwork, and classwork average information.

### Print report cards

- To print a copy of the student's report card, click **Print**.

## Test Scores Page

---

The Test Scores page displays your student's standardized test scores. For each test, the listing includes the test, test date, subtests, and scores, as well as the grade and age of your student at the time the test was taken.

To display the Test Scores page, click  **Grades** on the HAC menu, then click the **Test Scores** tab.

## Week View Page

---

The Week View page displays the following information for your student:

- Scheduling
- Course Averages
- Attendance

You can view information for the current week, as well as previous and future weeks in the current school year. In addition, you can use the page's links to access detailed information on these records.

To display the Week View page, click  **Home** on the HAC menu.

### View class schedules

- To view your student's class schedule for a specific day of the week, click the day's link above its column. For example, to display Monday's classes on the Schedule window, click Monday. The window lists periods, times, courses, teachers, and rooms.
- To view your student's complete schedule, click **View Full Schedule** to display the Schedule page. Besides the schedule of all courses in the current school year, the page lists requests for the next school year. For more information, refer to the Schedule Page topic.

### View other weeks

- To display the week view for other weeks, use the  arrows to navigate forward or backward a week at a time. To return to the current week, click **Today**.

### View course details

- To view additional details on a course, click its description link to display the Course window. The window lists the course, building, department, teacher, room, class periods, days, and marking periods.

## My Account

---

Use the My Account option to view your account data. Your account data includes your user name, address, email address, and the last date and time that you accessed Home Access Center.

Additionally, you may be able to change your password and enter challenge questions to be used if you forget your username or password.

To display this page, move your pointer over your user name in the Home Access Center banner. Then, select **My Account**.

### What are challenge questions?

Challenge questions are used to verify your account information if you need to reset your password. The Log On page has a Forgot My Username or Password link. When you click the link, an email including a link to reset your password will be sent to the email address provided to the school district. When you click the link in the email, you will be prompted to answer your challenge questions.

### Create challenge questions

The first time you log into HAC, you will be asked to enter challenge questions and answers. You may also be asked to create challenge questions the first time you log in if your school district has just implemented challenge questions.

1. In a Question field, enter the text for the question you want to answer.
2. In the Answer field, enter the text for your answer. If you use any capital letters, they will not be required when you answer a question later, for example, with the name of a pet or school.
3. Repeat steps 1-2 until you have entered all questions and answers.
4. Click **Continue to Home Access Center**.

### Change your challenge questions

1. Log on to Home Access Center.
2. Move the pointer over your user name in the banner. Then, click **My Account**.
3. In the Challenge Questions section of the My Account page, make changes to your questions and answers as needed.
4. Click **Update Challenge Questions**.

### Change your password

The following procedure describes how to change your password in Home Access Center.

1. Log on to Home Access Center.
2. Move the pointer over your user name in the banner. Then, click **My Account**.
3. In the Change Password section of the My Account page, enter your current password in the Old Password field.
4. In the New Password field, enter your desired password. A black dot displays in place of each character you type.

**Recommendation:** Use a mix of character types - upper and lower case letters, numbers, and symbols. To keep your password secure, do not use something easy to guess, such as your child's nickname or birth date.

5. In the Confirm New Password field, enter your new password again. A black dot will display in place of each character you type.
6. Click **Change Password**. Your password will be updated and the following message displays above the password fields: Your password has been changed successfully.

## Forgot your user name or password

The Log On page includes a Forgot My Username or Password link that you can click if you need to reset your password. When you click this link, the Forgot Username or Password page displays, allowing you to request to reset your login information.

To reset your login information, you will be required to answer challenge questions. If you have not previously defined challenge questions for Home Access Center, you need to contact your school district to reset your password.

1. On the Forgot Username or Password page, enter either:
  - Your Home Access Center username.
  - or
  - The email address you supplied to your school district in your contact information.
2. Click **Submit**.
3. Check your email for a "Reset your Home Access Center password" message from the district. If you do not receive an email, contact your school district.
4. In the Reset your Home Access Center password email, click the Reset your Home Access Center password link.
5. On the Challenge Questions page, answer the challenge questions to restore access to Home Access Center.
6. Click **Continue**.
7. If you answered the challenge question(s) correctly, the My Account page displays. If you do not answer the challenge questions correctly, you may try again or contact your school district for assistance.

If you also forgot your username, refer to the Logged in as field on the My Account page.

8. In the Change Passwords section of the My Account page, enter the new password for your Home Access Center account login, confirm the new password, then click **Continue to Home Access Center**.

**Recommendation:** Use a mix of character types - upper and lower case letters, numbers, and symbols. To keep your password secure, do not use something easy to guess, such as your child's nickname or birth date.
