

Dear Families, Teachers, and Staff of Leander ISD,

On behalf of the Board of Trustees, I want to congratulate Leander ISD Superintendent Dan Troxell, Ph.D., who announced his acceptance of a new position with the Texas Association of School Boards (TASB) which will allow him to serve millions of students across the entire state of Texas.

The Board will discuss the hiring process for the next superintendent in our May 2 Board of Trustees meeting. Dr. Troxell will continue to be our acting superintendent until we establish a hiring timeline. The Board will move forward with pace and purpose to identify exceptional candidates for our top leadership position. Leander ISD is a highly desirable community, and we expect to find numerous highly qualified candidates from which to choose.

In three years as superintendent, Dr. Troxell has had a significant impact for good in our district and has overseen a number of notable successes. We are grateful that he has worked so closely with our Board to set a course for even greater successes in the future. It comes as no surprise that others have taken notice of our successes and progress under Dr. Troxell's leadership. He will remain a welcome friend to Leander ISD.

We look forward with eagerness to identifying the right candidate to continue our journey to engage and inspire every student to achieve lifelong success.

Best,

Aaron Johnson
LISD Board President
