

What are the responsibilities of a Team Manager?

As a Team Manager you should plan to:

- Communicate with campus QUEST teacher to go over logistics, receive materials, etc.
- Facilitate weekly team practices to guide the team to tournament. *May have more frequent meetings tournament date nears.
- Attend Team Manager basic/advanced training (check the *Heart of Texas* website <http://hearttx.txdi.org/home> for more information and dates.
- Study the DI Program materials when you receive them. While it is not up to you to solve the challenges, it is up to you to make sure the team understands the program and challenge rules.
- Possibly giving up at least part of your garage for storage of props the team is working on, or possibly store at school wherever team meets.
- Help campus QUEST teacher with recruiting appraisers to represent your team.
- *It is a REQUIREMENT to participate in the Regional Tournament, and that a team has 2 appraisers representing them.* Appraisers must attend a 1/2 day training (February) and work a full day at Regional Tournament.
- Attend Team Manager Forms training (February)
- Consider going to optional Team Mgr. Instant Challenge trainings (see website)
- Collect T-Shirt orders from your team and submitting them online (texasdi.org) by the registration deadline.
- Keep up with team challenge clarifications that may be published periodically by Destination Imagination Inc.
