Leander Independent School District

Vision

Every student is encouraged, supported, and challenged to achieve the highest levels of knowledge, skills, and character.

Philosophy

We believe that an exemplary athletic program is an extension of the classroom. As such, athletics offers students an opportunity to develop and grow physically, intellectually, emotionally, and socially. The positive benefits that participation in athletics offers include, but are not limited to self-esteem, self-discipline, self-confidence, and the development of team spirit. Further, participants learn the values associated with competition and benefit from the experience of both winning and losing. For the participating athlete, these experiences provide an integral part of the foundation needed to be a productive citizen capable of leading a full and enriching life.

Notice of Non-Discrimination

Leander Independent School District does not discriminate on the basis of race, religion, color, national origin, sex, or disability in providing education services, activities and programs, including vocational programs in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended. Contact:

- Renee Williams, Title IX Coordinator, for concerns, regarding discrimination on the basis of sex.
- Linda Sekula, Section 504 Coordinator, for concerns regarding discrimination on the basis of disability.

Leander Independent School District does not discriminate on the basis of disability by denying access to the benefits of District services, programs or activities of a public entity, or be subjected to discrimination by any public entity. To request information about the applicability of Title II of the Americans with Disabilities Act (ADA), interested persons should contact Kendra Shaffer.

II. Introduction

The athletic program is an integral part of the total school experience for both boys and girls. It offers a varsity of sports and activities to all students who have potential skill and the desire to participate.

The policies, procedures, and regulations in this handbook are in compliance with school board policies and administrative procedures. They are designed to provide for successful experiences for students and the efficient operation of the athletic program.

Leander ISD athletes must look and act with pride and dignity at ALL times. The purpose of this handbook is to establish regulations and procedures to deal with violations that occur **ON OR OFF SCHOOL GROUNDS THROUGHOUT THE ENTIRE CALENDAR YEAR.**

The handbook is designed to encourage athletes to make choices that ensure their health and safety, and provide appropriate consequences for students who violate the rules.

This handbook supersedes all prior publications governing Leander athletic teams and shall be used by all principals, coaches, and players in grades 9-12.

You, the student athlete, are accountable and responsible for all polices contained within this handbook and for any additional ones that your respective coaches might add.

III. Available Sports

The following sports are available for Middle School athletes grades 7-8:

Football:	7 th and 8 th grade boys football
Basketball:	7 th and 8 th grade boys and girls
Track & Field:	7 th and 8 th grade boys and girls
Soccer:	Boys and Girls (combined 7 th and 8 th grades)
Volleyball:	7 th and 8 th grade girls
Cross Country:	Boys and Girls (combined 7 th and 8 th grades)

IV. Participation

It is the goal of this athletic program to offer the opportunity of participation to every student who has the ability and desire to do so. However, no student is obligated to take part in athletics, nor is participation in athletics required. **It is also to be stressed that participation in Leander ISD's athletic program is a PRIVILEGE, not a right.** Since it is a privilege, the coaching staff, in accordance with the Leander ISD policy and due process procedures, has the authority to suspend or revoke the privilege when the rules and standards of this athletic program are not followed.

Tryouts:

There may be times when it will be necessary to have tryouts for teams and cuts may be made. Tryout decisions are final and made by the head coach and his/her staff.

Club Participation:

An athlete in-season for any LISD sport shall not participate in club competition at the same time without the LISD Head Coach's approval. Football Spring Training is considered in-season by the UIL and LISD.

An athlete in-season for any LISD sport may not miss any LISD sporting event to attend a club sporting event.

Off Campus PE:

If a student is enrolled in off campus PE, the student may not participate in school sponsored sports. Appeals to the Campus Administration and LISD athletic office will be considered.

V. Athletic Periods

Athletes in an athletic period will receive a grade based upon the head coach's criteria for that class.

VI. Responsibilities of an Athlete

All athletes have the responsibility to give their best, play to win, follow training guidelines, and exhibit good conduct and fair play at all times so as to be a credit to their school. Athletes, as well as coaches, are always on display. We are judged by the company we keep. Our actions in everyday life, both private and public, are a direct reflection on this athletic program and our school.

A. During competition, an athlete:

1. Learns that both winning and losing are part of the game and learns to accept both. Be modest in victory; be gracious in defeat.
2. Has complete control of himself/herself at all times. Horseplay, display of temper, use of profanity, and disrespect for coaches or officials will result in loss of respect for the athlete and in disciplinary action from the coach.
3. No piercings or non-natural colored hair will be allowed while representing LISD on game days. Hair must be off the collar, at the top of the ears, and out of eyes. This is the minimum requirement of the athletic department. Individual team rules may be more stringent and provide further limitations.

B. In the classroom, an athlete:

1. Must realize that he/she is a student first, an athlete second. The student-athlete must give time and energy to classroom studies to ensure good and acceptable grades that meet the UIL requirements for participation.
2. Must maintain a satisfactory citizenship and behavior record by giving respectful attention to classroom activities and by treating teachers, administrators and fellow students with respect. Tardiness, horseplay, and unnecessary talking are unacceptable behavior habits that, if uncorrected by the student-athlete, may result in suspension from the athletic program.

C. On Campus, an athlete:

1. Must maintain proper dress and appearance, good grooming, and personal cleanliness. You are a leader and you have only one chance to make a good impression.
 - a. All dress, hair, makeup and clothing shall be neat, and well-groomed. It shall not be excessive, exceptional, or designed to draw attention to the individual. **Facial hair will not be permitted.**
 - b. Hair must be off the collar, at the top of the ears, and out of eyes.
2. Will refrain from fighting, scuffling, horseplay and juvenile behavior in and around the school building.
3. An athlete suspended from their home campus will not be permitted to work out with, travel with, or participate with the team. Eligibility for subsequent contests will be left to the discretion of the coach and/or administration. Consequences for ISS will be at the discretion of the campus athletic coordinator.

D. During the athletic period and practices before and after school, an athlete will:

1. Notify the coach if he/she needs to miss a game or practice session that is scheduled. Absences from athletic period practices should be handled according to school guidelines and team rules. Missed practices will also be required to be made up. Any absence should be made up before an athlete participates in the first quarter of a contest.
2. Be on the field, court, weight room or other designated area dressed and ready to practice when the tardy bell rings or when designated by the coach. Tardiness to our class period is as inexcusable as it is to any other class.
3. Maintain neat and clean locker space. Be proud of your dressing area and keep it neat.

4. Lock all personal belongings in your locker. The school is not responsible for misplaced, lost, stolen or damaged personal property or textbooks.
5. Take a shower for hygiene purposes and for aiding the body in its temperature adjustment after workout. Rough housing, towel popping, or throwing objects is not allowed in the shower or the dressing room.

E. During team travel, an athlete will:

1. Travel to and from all away contests with the team. If, for some reason, you need to ride home with your parents, you must clear this with the coach before leaving for the contest (at least 24 hours in advance), and you must give a written release from one of your parents to the coach. Under no circumstances will you be released to ride with anyone other than your parents, or a person designated by your family.
2. Dress neatly and properly on all trips. Coaches will advise you regarding the proper attire. Conduct himself/herself properly on the school bus or in any school vehicle. He/she will follow the printed rules for bus ridership that govern all Leander ISD bus riders.
3. Receive permission from the coach before bringing any radios, electronic games, etc., aboard the bus.
4. Be informed of departure and return times. It is your responsibility to be on time for all departures and to inform your parents of the time to pick you up after the contest. Every effort will be made by the coaching staff to notify proper personnel as to unexpected changes in arrival time.
5. Only coaches, players, trainers, and/or school administrators are allowed to ride the team bus.

VII. Eligibility

In order to be eligible to participate in an extracurricular activity event for a six week period following the initial six weeks period of a school year, a student must not have a recorded grade average lower than a 70 on a scale of 0-100 in any course for that preceding six weeks period.

A student whose recorded six weeks grade average in any course is lower than 70 at the end of a six week period shall be suspended from participation in any extracurricular activity even during the succeeding three week period. If the student is passing all classes at the three week mark, the student may regain eligibility.

VIII. Athlete/Parent/Coach Communication Process

Before the start of each sport, the head coach will conduct a mandatory parent meeting regarding rules, regulations, and additional team rules will be distributed at that time.

If at any time, an athlete or parent has an issue with a coach or program, the below process should be followed:

- 1) Athlete meets with the coach to discuss the problem
- 2) Parents and/or athlete meet with the coach
- 3) Parents and/or athlete meet with the campus Athletic Coordinator/Principal
- 4) Parents schedule a meeting with the district Athletic Director

Coaches should never be approached to discuss a problem or complaint immediately following a game.

Athlete admits to the violation

Parent of the athlete admits to the violation

An LISD staff member witnesses the athlete in violation

An LISD administrator has reason to believe that an athlete has committed an offense

A local agency report or violation is filed

A local agency of the law makes a verbal report of a violation

X. Quitting or Dropping a Sport

There will be times when some athletes find it necessary to quit playing a sport before, during, or after the season. Whatever the reason, an athlete must follow the steps listed below:

1. The athlete should think the whole situation through before reaching a final decision.
2. The athlete should talk to the coach to see if a solution can be reached without having to quit. A conference between the parents, athlete, and coach, or any combination thereof, may be required, and is highly recommended before an athlete will be permitted to quit.
3. If an athlete decides to quit, he/she must check out of the sport just as he/she would check out of any academic class.
4. All equipment must be turned in clean. The athlete must pay for any equipment not returned.
5. If the athlete decides to quit one sport and join another, the athlete must receive permission from the coach of the sport he/she is leaving in order to join the other sport. If the coach does not give permission, the athlete must wait until the first sport has completed its season before joining the new sport. While the athlete waits, he/she will be placed in a regular physical education class.

XI. Awards

Middle School athletes will receive a certificate or participation provided they are recommended for the award by their coach as a result of having shown good citizenship and character, attitude, attendance and scholarship, in addition to having adhered to the policies contained within this handbook.

XII. Athletic Passes

The Leander ISD Athletic program will issue Player Passes to those athletes participating in each sport. The following stipulations shall apply to the passes:

1. Only the player whose name appears on the pass may use it. Free admission is allowed only when the pass is presented. Without the pass, the athlete must pay the standard student admission charge.
2. Identification may be required.
3. Use of the pass may be revoked if an unauthorized person uses the pass or the holder of the pass displays unsportsmanlike conduct at any contest.
4. Passes will be issued to admit athletes to Leander ISD athletic events only.
5. If any athlete drops from a sport, the coach of that athlete must take up the player pass as a part of the issued equipment.

XIII. Social Media

Student-athletes are high-profile representatives of the Leander Independent School District, and their behavior is subject to scrutiny by their peers, the campus, community, and the media. The actions of a single student-athlete can reflect positively or negatively not only on the individual student-athlete, but also on his or her team and coaches, the Athletics Department and the entire school campus. Therefore, student-athletes are expected to represent themselves and LISD with honor, dignity and integrity at all times – including when interacting on social networking websites and in other online environments. The popularity of social networking websites (e.g., Facebook, Twitter, Vine, YouTube, Instagram, Blogspot, etc.) has grown tremendously during the last few years. These websites can serve as valuable communication tools when used appropriately. The use of social media, however, has the potential to cause problems for both the student-athlete and the school environment. Almost anything a student-athlete posts on a social networking site may be viewed by others, and both the media and the general public are more likely to view the profiles of student-athletes than the profiles of other students.

The Athletics Department has developed this Student-Athlete Social Networking Guideline in order to:

- (i) provide recommendations and suggestions for student-athletes to help them use social media in a safe and responsible manner
- (ii) outline important rules that student-athletes must follow when using social media

Important Suggestions & Recommendations Regarding Social Networking Sites

Some students mistakenly believe social networking websites have a veil of privacy about them and assume their profiles are viewed only by a close circle of friends and fellow students. To the contrary, the content on most of these sites is accessible by anyone in the general public unless security and privacy features are used. The public nature of these websites has created personal safety and personal welfare concerns. For example, student-athletes have been stalked or sexually harassed and assaulted as a result of their Facebook profiles. Fans of opposing teams have taunted student-athletes based on information obtained from social networking sites. Student-athletes also should be aware that potential employers and graduate school admissions officers now regularly screen applicants by conducting “Google” searches of an applicant’s name and by reviewing the applicant’s social networking profiles. Students are being passed over for interviews and denied admission to universities based on the content of their profiles.

Student-athletes should be very careful about what personal information they share on the internet. For their own security, protection and welfare and that of their teammates and friends, the Athletics Department strongly recommends and advises student-athletes to:

- Keep phone numbers, physical addresses, birthdates, current whereabouts, travel plans and other personal information strictly confidential. This information should not be contained in a student-athlete’s personal online profile.
- Limit the access of others to e-mail addresses and screen carefully those whom a student-athlete may accept as “friends” on a social networking site.
- Use whatever security and privacy features are available to restrict the ability of others view a student-athlete’s site or to post pictures, messages and other content on a student-athlete’s site.
- If an individual contacts a student-athlete via a social networking site and the nature of the contact makes the student-athlete concerned for his or her safety or uncomfortable in any way, the student-athlete should immediately contact a parent, a coach, or a campus administrator.

Rules Regarding Social Networking Sites

Participation in LISD Athletics is a privilege and not a right. As a condition of being a student-athlete in LISD, student-athletes must abide by the following rules related to the use of the internet and social networking sites:

1. Any postings or communications via social networking websites which disrupt either the educational or athletic environments or which advocates the violation of any school or team policy would be unacceptable.
2. Student-athletes may not post online any pictures, information or other content that might cause embarrassment to themselves, fellow student-athletes, teams, coaches, the Athletics Department or the campus (examples: obscene images or language, nudity, pictures at parties with alcohol, references to drugs, sex, or illegal activities).
3. Student-athletes may not post any content online that is unsportsmanlike, derogatory, demeaning or threatening toward any other individual, teammate, coach, faculty member, or entity (examples: derogatory comments regarding another school; taunting comments aimed at a student-athlete, coach or team at another school). No posts should depict or encourage unacceptable or illegal activities (examples: hazing, sexual harassment/assault, gambling, discrimination, fighting, vandalism, academic dishonesty, underage drinking, illegal drug use).
4. Student-athletes may not post any content online that would constitute a violation of the LISD Student Code of Conduct.
5. Student-athletes may not post any information that is sensitive or personal in nature or is proprietary to the Athletic Department or the school which is not public information (examples: tentative or future team schedules, student-athlete injuries and eligibility status, travel plans/itineraries or information).

6. Student-athletes are required to abide by all laws related to the use of the internet (including state and federal privacy laws such as FERPA and HIPPA), and student-athletes are personally liable for any violations of those laws.

Student-athletes in LISD are required to abide by rules set forth in these guidelines.

The failure to do so will be considered a violation of the student-athlete code of conduct and/or the LISD student code of conduct. The violation may result in disciplinary action by the athletics department and the campus.

1st Offense - Warning and parent meeting with the head coach. Consequences will be determined based on the severity of the infraction and may include suspension or dismissal from the team or athletic activities.

2nd Offense – Parent meeting with the head coach and the campus Athletic Coordinator. Consequences will be determined based on the severity of the infraction and may include suspension or dismissal from the team or athletic activities.

3rd Offense – Parent meeting with the head coach, campus Athletic Coordinator, and the district Athletic Director. Consequences will be determined based on the severity of the infraction and may include suspension or dismissal from the team or athletic activities.

XIV. Medical and Insurance Requirements for Athletes

Athletic insurance shall be offered to all students who are participating in athletics. The program of insurance will be in accordance with the rules and regulations of the UIL and Leander ISD.

It is strongly suggested that all student-athletes carry, at their own expense, the student insurance program offered at their respective campuses. Participation is not mandatory unless the insurance waiver is not signed by the parent. Prices and policies are subject to change.

The Athletic Director shall arrange the program of insurance on an annual basis (in cooperation with the Superintendent and subject to confirmation by the School Board) with a reputable company.

XV. Procedures When Ill or Injured

Your health is of concern to every member of your team. In the event you feel ill and your condition does not improve within two days, see a doctor as soon as possible and inform your Athletic Trainer.

An injury that could possibly hamper your ability to participate must be reported to your coach and/or the Athletic Trainer at the high school as soon as possible. If the Athletic Trainer sends you to the doctor, be sure that you bring back WRITTEN instructions from the doctor as to your care. If you feel that you need to see the doctor about an injury, make sure that you check with the Athletic Trainer since they have been licensed to provide proper care for you and may be able to provide you with information regarding your injury and the type of doctor you should see.

Parent notes will not be accepted as a reason to miss practice for more than 2 days. If an athlete is too ill or injured to practice then he/she must bring a written note from the doctor specifying the illness/injury and the number of days the athlete is to miss or they must report to the Athletic Trainer at the high school.

Whenever you are injured or have an illness of a minor nature, you may be required to dress out (but not participate) and stay with your group during the workout. You learn from each practice session, whether you are actually working out or simply observing.

When the services of a physician are obtained, the athlete must bring a note with written instructions from the physician describing the athlete's condition, or injury, and recommendation for activity.

State law requires that any athlete that sustains a concussion must be seen by the Athletic Trainer at the high school to complete the Return to Play protocol. The Athletic Trainer will communicate with the school nurse, coaches, parents and counselors what actions should be followed to meet the requirements for the Return to Play protocol.

If athletes desire to talk to the Athletic Trainer for any reason, they are welcomed and encouraged to do so. The Athletic Trainers at the high schools are available by appointment. Please contact the Athletic Trainer at the high school you will be attending.
