GEOSPATIAL DATA  
PRODUCTS

“Geospatial data product” means a document, computer file, or Internet Web site that contains geospatial data; a map; or information about a service involving geospatial data or a map.

*Gov’t Code  
2051.101(1)*

NOTICE

The District shall include a notice on each geospatial data product that:

1. Is created or hosted by the District;
2. Appears to represent property boundaries; and
3. Was not produced using information from an on-the-ground survey conducted by or under the supervision of a registered professional land surveyor or land surveyor authorized to perform surveys under laws in effect when the survey was conducted.

The notice must be in substantially the following form: “This product is for informational purposes and may not have been prepared for or be suitable for legal, engineering, or surveying purposes. It does not represent an on-the-ground survey and represents only the approximate relative location of property boundaries.”

The notice may include language further defining the limits of liability of a geospatial data product producer; apply to a geospatial data product that contains more than one map; or for a notice that applies to a geospatial data product that is or is on an Internet Web site, be included on a separate page that requires the person accessing the Web site to agree to the terms of the notice before accessing the geospatial data product.
