Don't let all of that math learning fall out of your student's brain! Engaging in academic activities during the summer helps them hold onto what they learned during the school year. Let's combat the "summer slide" and give students positive experiences with math that will build their confidence going into the coming year. The days will fly by as they engage in fun, hands-on, and group learning activities designed for students completing 6th and 7th grade.

To aid in the transition from an on-level to a PACE/Pre-AP math class, Leander ISD has designed New-To-PACE Camp to strengthen the problem solving and critical thinking skills students will need to be successful in this challenging coursework. The days will fly by as students will engage in fun, hands-on, and group learning activities. This camp is for students who have newly qualified for 6th or 7th grade PACE math through screener testing this spring and summer. Those students have received an invitation to this camp with their screener results.
