2. If the student has no scores for a particular assessment, the tab is not displayed.
3. If the student has taken the assessment multiple times, a row is displayed for each date, and the parent can click to view the details for the specific administration date. A pop-up window opens to display the details.
4. For each assessment, a link is provided to an external Web site (e.g., Texas Education Agency), which provides a detailed explanation of the data displayed. The Web site will open in a new browser window.
