

Summary Page

The Summary page displays an alphabetical list of students that the parent has added to their account.

1. The summary for the first student in the list is displayed including the following:
 - a. If the student attended multiple campuses, a tab is displayed for each campus.
 - b. If campus notes have been entered in the Student system, they are displayed under campus notes
2. The student's class schedule is displayed, including period, course title, instructor name, current grade average for each class, and attendance for the current date.
3. Any failing grades under **Current Average** are highlighted.
4. If the parent/guardian has requested electronic grades, a **View Report Card** icon and/or **View IPR** icon is displayed when the electronic version of the report card or IPR is available for the parent/guardian to view

Campus Notes
Parents: Remember Tait High School now offers electronic, paperless grade reports.
Interim Progress Reports and Report Cards
Instructions can be found at this link:
http://www.TES1td.org/preview.asp?name=ps_bconnect
under "Help with E Report Cards"
Note: It is not enough to simply have a Connect account, you must go through a separate process to register for electronic grades.
One of the greatest benefits to receiving your grade reports electronically is the immediate access; no more waiting on the mail!
If you have any questions or concerns, please contact your campus registrar.
