PARENT/GUARDIAN AUTHORIZATION

I request that my child, named above, be permitted to carry/self-administer the above ordered medication. I understand that the medication must be in the original pharmacy container, labeled with the name of the student, prescribing physician and medication, dose of medication and directions for use. It must be a current prescription and medication must not be expired. I understand that this medication may not be distributed by my child to anyone else and that I may be liable if my child does distribute this medication to anyone else. I understand that my child will be held responsible for the possession and control of the medication during the time he/she is under the school's jurisdiction. I understand that LISD cannot be held liable for any misuse/abuse of the medication by my child. Therefore, I release Leander ISD from any responsibility for my child's actions with regard to the prescribed medication. Furthermore, I realize that any misuse/abuse of the medication by my child may result in disciplinary action by the Leander ISD.
