

LISD State Assessment

STAAR Report Card

- Log in to the Texas Assessment Management System at www.texasassessment.com

- Click on **Log In to Student Portal**

- If you know your child's unique access code, found at the bottom of STAAR reports from previous administrations, enter that code in the **Access Code** box. Enter the date of birth using the drop-down menus. Click on the blue **Go** button to access results.

OR

- If you do not know your child's unique access code, you can still access STAAR results as long as you know your child's social security number and date of birth. Click on **Lookup Access Code**.

[▶ Where's my access code?](#)

[▶ Lookup Access Code](#)

Enter the following information:

- student's first name (or the first 10 letters only if the name has more than 10 letters)
- PEIMS ID (social security number or state-issued ID number)
- date of birth

Click on the blue **Go** button and the screen will show the Student Access Code.

Enter the date of birth from the drop-down menus and click on the blue **Go** button again to access student STAAR Testing History. Select a test to access detailed information.
