

INFORMATION FOR PARENTS (reviewd 9/2017)

Community flyers that have been posted on the LISD website or that may have been sent home with your student **will now be sent electronically to your inbox through our service provider, Peachjar.** These eflyers can also be viewed by clicking on the Peachjar button that has been placed on each school's website homepage. LISD continues to support "green" initiatives, saving tons of paper and reducing copy costs by thousands of dollars. On top of that, paperless delivery of school flyers removes a significant administrative burden from teachers, office staff, and volunteers.

No action is required on your part. You will receive a welcome email from our service provider (Peachjar) that includes a username and password. This is provided to give you the opportunity to manage your account and flyer delivery preferences. You do not need to log in to receive or view eflyers.

To ensure smooth delivery of this communication, we suggest you add "school@peachjar.com" to your email contacts. Note: add "school@peachjar.com" to your contact list just as written; do not change it to the name of your school @peachjar.com. When you receive your first eflyer, be sure to click "always display images."

If you do not receive an email from Peachjar, it means your email address is not on file with your school. Please see the FAQs below for instructions on adding your email address to the Peachjar distribution list **or contact your school's registrar to verify your email address is current with the district.**

This system is used exclusively for distribution of school-approved flyers. **Your email address will not be shared or used for any other purpose.**
