BOOSTER CLUB GUIDELINES
Dear Parents and/or Guardians:

The Leander Independent School District thanks you for volunteering your valuable time and energy to Leander ISD Booster Clubs. Booster Clubs are vital to the school system and support our student experience of outstanding academic and extracurricular activities through friendly competition, sportsmanship and teamwork. Your participation in Leander ISD Booster Clubs impacts every student and expands their opportunities for achievement and growth.

Leander ISD provides this “Booster Club Guidelines” booklet as a tool to help you set the stage for a successful season. While Booster Clubs are separate organizations from the school district, this booklet was created by Leander ISD at the request of Booster Club officers. This booklet is designed to be used as a training tool and will assist you in complying with District policies and guidelines, University Interscholastic League (UIL) guidelines, and state and federal regulatory guidelines governing Booster Clubs.

Thank you for all that you do to engage, inspire and achieve for lifelong learning.

Sincerely,

Bruce Gearing, Ed.D.
Superintendent

Volunteer Requirements & Expectations

Who MUST complete a volunteer application?

This includes, but is not limited to: one-time special guests, vendors, performers, speakers, field-day volunteers, trip chaperones, Watch DOGS, mentors, LISD employees serving outside their role in the district and cafeteria, library and office help.

Parent Information and Communications

- As an LISD volunteer it is important to ensure that any parent and/or student information (including email addresses) you may be given access to, will be treated respectfully and confidentially. Therefore, please keep in mind that parent’s personal email addresses may only be used to communicate on approved topics such as: notification of classroom events, upcoming school functions, school volunteer opportunities, etc. Volunteers should not send unauthorized or non-school related emails to parents’ personal email addresses. BYLAWS

All Booster Clubs that are formed to support a Leander ISD extracurricular activity must have bylaws that address all the topics listed in the UIL Guidelines. Please see this link for UIL Booster Club Guidelines: http://www.uiltexas.org/files/booster-guide.pdf

What are bylaws?
A booster club’s bylaws provide the rules for how your organization operates, including how often meetings are held, how voting is conducted and the like. The bylaws should contain the detail of the rules of membership. Bylaws must address the organization’s fiscal year, organizational structure, and the methods used to elect officers.

Bylaws must be submitted to the Financial Services Office when registering a Booster Club. The Chief Financial Officer, or their designee, will review the bylaws to make sure that all the required topics are addressed, but does not have the authority to change the bylaws. If the bylaws are incomplete, the Booster Club’s registration will be denied until the missing topics are included in the bylaws. If the booster club modifies/changes/revises their bylaws, a copy must be provided to the Financial Services Officer after the booster club votes to accept the changes.

Bylaw’s must:
• Be approved by Chief Financial Officer
• Address the organizational structure
• Address the methods used to elect officers
• Contain the rules of membership
• Include how meetings will be publicized and conducted
• Address the organization’s fiscal year
• Not allow one person to hold multiple offices
• Address the dissolution of a booster club

Election of Officers:
• Only active members in good standing shall be permitted to hold office or vote upon any matter of business of the organization.
• No officer shall be permitted to hold more than one office at the same time.
• Staff are not allowed to hold any LISD school PTA/PTO/Booster club officer position that has a financial capacity. “Financial capacity” shall include President, Vice President, Treasurer, Fundraising chair, and any other Booster member that serves on a Financial Review Committee, acts as a check signer for the club, or any other function that involves the receipt and distribution of money.
  o Employee is defined as EVERY person employed by LISD (e.g. crossing guards, teachers, cafeteria workers, transportation, faculty and staff.)
  o With roles clearly defined, staff can collect money as part of a PTA/Booster Club event (i.e., ticket taking, snack bar.) Staff can count LISD fundraising money, following good financial controls (at least 2 people should always count money). Staff should also clearly separate their role as a LISD employee from the work they do as a parent volunteer. Employees should not take full control, deposit, or take off premises PTA/Booster Club funds.
  o Substitute teachers can hold an officer position with financial capacity, but are required to disclose this in writing to the HR/Substitute office.
At a minimum, the booster organization shall elect the following officers on an annual basis. Each officer should receive a printed copy of the guidelines. Each officer must read the manual and return a signed acceptance form (in Resource section) to the campus principal before the first meeting of the new school year.

**Role of Officers:**

**President**
Typically, the president of a booster organization is an individual who has previously been active in the organization. The major duties include, but are not limited to, the following:
- Preside at all meetings of the organization.
- Regularly meet with the designated campus representative regarding booster activities.
- Regularly meet with the treasurer of the organization to review the organization's position.
- Schedule annual audit of records or request an audit in the need should arise during the school year.

**Vice-President**
The vice-president acts as the president's representative in his/her absence. They must remain familiar with the organization. The major duties include, but are not limited to, the following:
- Preside at meetings in the absence or inability of the president to serve.
- Perform administrative functions delegated by the president.

**Secretary**
The secretary is responsible for keeping accurate records of the proceedings of the association and reporting to the membership. The secretary must ensure the accuracy of the meeting minutes and have a thorough knowledge of parliamentary law and the organization's procedures. The major duties include, but are not limited to, the following:
- Report on any recommendations made by the executive board of the booster organization if such a governing board is defined.
- Maintain the records of the minutes and any standing committee rules, current membership and committee listing.
- Record all business transacted at each meeting.
- Maintain records of attendance of each member.
- Conduct and report on all correspondence on behalf of the organization.

**Treasurer**
The treasurer is the authorized custodian of the funds of the association. The treasurer receives and disburses all monies indicated in the budget or as authorized by action of the association. All persons authorized to handle funds of the association should be covered by a fidelity bond in an amount based on the organization's annual income and determined by the executive board. The major duties include, but are not limited to, the following:
- Serve as chairperson of the Budget and Finance Committee if prescribed.
- Issue a receipt of monies received and deposit said amounts on a weekly basis (daily if receipts on hand exceed $250.00).
- Present/Maintain a current financial report including bank statements, bank reconciliations, and financial statements and be able to give them to the Financial Services Office when requested. Copies should be available for review by the general membership as requested.
- File financial reports by September 1st each year with the district executive board.
- Maintain accurate and detailed account of all monies received and disbursed.
- Reconcile all bank statements as received and resolve any discrepancies with the bank immediately.
- File sales tax reports as required by the State Comptroller’s office (monthly, quarterly, or annually).
- File annual IRS form 990 in a timely manner.
- Submit records to the audit committee appointed by the organization upon request or at the end of the year.

Note: Due to the increasing requirements placed on charitable organizations by the Internal Revenue Service, it is strongly recommended the Treasurer have an accounting background.

District Executive Board
The Executive Board, for Booster Club purposes within Leander ISD, will consist of the Chief Financial Officer and the appropriate program directors (District Athletic Director, Fine Arts Director, Campus Principal, CTE Director).

Committees

Nominating Committee
The nominating committee is formed from the organization’s membership in the spring of each year. The purpose of the committee is to recommend various members of the organization for office in the coming school year. The nominating committee should be charged with soliciting recommendations for officer positions within the organization. The committee should then contact the potential candidate directly to ascertain their willingness and desire to serve. The nominating committee should report back to the membership on their results in the spring so the election may be held.

Once officers are elected for the coming year, the newly appointed secretary must submit names, addresses and phone numbers of the new officers to the campus principal or designee.

The secretary and treasurer of the organization shall turn records over to the incoming officers within thirty (30) days of the election. Records should be kept for a period of ten (10) years for audit purposes.

Standing Committees
Standing Committees can include but are not limited to:
- Nominating Committee
- Banquet Committee
- Fundraising Committee
- Membership Committee
- Scholarship Committee

Special Committees
Special committees are created for a specific purpose and voted upon by the membership. The committee is automatically dissolved as soon as that purpose is accomplished and the committee report is made. Special committees should complete their assignments within the current school year. If the objectives are not met at the end of the school year, officers will be required to reappoint members of the committee for the following year until the purpose of the committee has been achieved. Individuals who have a conflict of interest shall not be allowed to serve as members of the committee. For example, senior
parents would not be included on a scholarship committee since their child is a potential recipient of the monies.

**Standards for Meetings**

Notice of all meetings should be published at the campus seventy-two (72) hours prior to the meeting date.

The notice should clearly indicate the date, location, and time of the meeting and the items to be discussed.

In order to provide an optimum level of communication and teamwork, Booster Club meetings should be held in the presence of the campus principal or other school sponsor.

Any action taken at the meeting should be documented in the minutes and is subject to review and possible revocation by the sponsor or principal.

**Rules for Dissolution**

There are two ways a booster organization can be dissolved:

1) A resolution shall be adopted by the booster organization (or the executive board if the organization is inactive) stating that the question of such a dissolution be submitted to a vote at a special meeting of the members having voting rights. At least 30 days prior to the meeting, written or printed notice shall be given to each member entitled to vote stating that the purpose of such meeting is to consider the advisability of dissolving the organization.

2) The Principal along with the District Executive Board determines that the booster club is not functioning in a way consistent with school and district policies, and in accordance with UIL regulations.

If the booster club or committee determines it is in the best interest that the booster club be dissolved, the booster club and/or the committee must determine the distribution and usage of treasury monies and other assets before dissolution. In order to comply with the Internal Revenue Service guidelines, care should be taken to ensure that excess funds are distributed within the framework of the organization’s original purpose- i.e., band booster funds would remain with the musical program at that particular campus. Any other distribution of funds could void the organization’s tax exempt status and force it into a fully taxable situation.

Dissolution of booster clubs should be addressed in the booster club's bylaws.

IV. Finance

Banking
Tax Information
501(c)(3) Directions
Form 990
Financial Reporting
Insurance
Audits
 Banking Information
To open a bank account, The Booster Club must first obtain an Employer Identification Number (EIN) from the IRS. (See Tax information section)

The Booster club shall not use just the school’s name on its checks or on its literature. The use of the school name might imply that the school or the District is responsible for any obligations entered into by the club. It must include the Booster Club’s name on the bank account.

Two officers must sign each disbursement. School district employees may not be the signer on Booster Club bank accounts for any campus or programs.

All funds received should be receipted and deposited on a weekly basis. Commingling of Booster Club funds and school activity funds is prohibited. School employees may not accept loans of funds from parents and student organizations.

 Tax Information
The purpose of this section is to provide general tax information to Booster Clubs. It is each Booster Club’s responsibility to seek competent professional tax advice for its own tax reporting and filing requirements. The information provided in this document is not intended to be all-inclusive.

Booster Club naming requirements
The booster club must have ‘Booster Club’, ‘Parent Support Groups’, or some similar title in the official name of the booster club. This should be the name that is listed on any tax documents, banking records, website, etc.

How to obtain tax exempt status 501(c)(3)
Your group will need to take the steps necessary to become a nonprofit education organization recognized by the Internal Revenue Service as exempt from taxation. This is known as a 501(c)(3) entity.

Formation of a non-profit corporation does not necessarily entitle the organization to exemption from federal taxes. In order to be exempt from federal taxes, The Booster Club must apply for this status on Form 1023- Application for Recognition of Exemption under Section 501(c)(3). These documents are available on the Internal Revenue Service website: http://www.irs.gov/.

The application must be accompanied by Form 8718, User Fee for Exempt Organization Determination Letter Request, which provides a user fee to be paid to the Internal Revenue Service. Depending on the anticipated annual gross receipts, the fee is either $150.00 or $500.00. Upon acceptance of the organizations exempt status by the Internal Revenue Service, a determination letter will be received as evidence of approval. The letter should be kept in a safe, permanent place as it will be used time and again to prove the organization’s exempt status.

Please provide a copy of your determination letter to the district office.

Note: Instructions for completing these forms and copies of the forms can be found on the Internal Revenue Service website: http://www.irs.gov/ under forms and publications. The IRS main number is 1-800-829-1040, and the Tax-Exempt section is 1-877-829-5500.
**How to obtain an Employer Identification Number (EIN)**
The IRS requires all organizations (entities) that conduct business to have their own Employer Identification Number. The EIN is obtained with the SS-4 Form from the IRS. A member’s social security number should not be used as the organization's Employer Identification Number for banking or other business purposes. Booster Clubs are not allowed to use the District’s EIN.

**To obtain an Employer Identification Number:**
- Obtain and complete IRS Form SS-4.
- Make a copy for the club's permanent records.
- When a number is assigned to the Booster Club by the IRS, ensure that the paperwork is maintained in a permanent file from year to year.
- The recommended fiscal year end for the Booster Club is June 30.
- There is no application fee required when filing Form SS-4.
- This EIN will be the number used to establish a bank account for the Booster Club.

Note: You can apply for an EIN number on the Internal Revenue Service website: [http://www.irs.gov/](http://www.irs.gov/). Insert "employer identification number" under forms and publications. You will be able to complete the application process on line.

**Sales Tax**

All Booster Clubs must apply for their own sales permit number. **They may not use the number of another Booster Club or the District sales permit number.** Sales by a Booster Club are generally taxable. Booster Clubs are not tax-exempt unless they have filled out the proper application forms from the Texas Comptroller of Public Accounts and have been given tax-exempt status. Each Booster Club can have two tax-free sale days per calendar year according to Texas State Sales Tax Law. Items can be sold during the tax-free weekend in August without collecting sales tax.

Organizations that have applied for and received a letter of exemption from sales tax do not have to pay sales and use tax when they buy, lease or rent taxable items that are necessary to the organization’s exempt function. No item purchased tax-free by an exempt organization can be used for the personal benefit of a private party or other individual. For any questions regarding sales tax, you can call the Texas Comptroller of Pubic Accounts at 1-800-531-5441 or email tax.help@cpa.state.tx.us.

**Taxable Status of Purchases**
- A booster organization must provide the vendor with a valid signed exemption certificate when claiming state sales tax exempt status. Exemption certificates do not require tax identification numbers to be valid nor is the vendor required by law to honor the exemption.
- The District's exemption status may not be utilized by parent, booster, patron, or alumni organizations to secure exemption from sales and excise taxes. Parent/teacher organizations and Booster Clubs must apply for their own exemption.
- Items which become the personal property of the student (cheerleader uniforms, band t-shirts, etc), even though connected with a school or organization, are not exempt from tax. Items which are purchased by the organization through
budgeted funds as an award to a student are not taxable.

- Meals purchased by the organization for teams, groups, bands, etc. on authorized school trips are exempt from sales tax if the organization contracts for the meals. The booster organization must pay for the meals with a Booster Club check and provide an exempt certificate.
- Individual members of the team, group, band, etc. may not claim exemption from sales tax on the meals they purchase while on a school authorized trip.

**Collection and Remittance of Sales Taxes**
The Booster Club shall collect sales tax on all taxable sales.

When imposing sales tax, the organization has the option of:

- Adding the tax to the item’s selling price- thus, if the selling price of an item were $2.00, the tax rate was 8.25%, the boosters would collect $2.17 ($2.00 x 1.0825) from the buyer for each item sold.

- Absorbing the tax in the item's selling price- thus, if the item sold for $2.00 including the tax, the boosters would retain $1.83 and remit $0.17 for sales tax. If this method is used, divide the total sales by 1.0825 (assuming the tax rate is 8.25%) to find the taxable sales. To determine the sales tax amount, subtract the taxable sales from the gross sales.

**Taxable Status of Sales**
School and school related organizations need not collect sales tax on the following:
- Admission tickets
- Club memberships
- Food and drinks sold at school functions

However, state and local sales tax shall be imposed and collected on all sales for:
- Items sold by the school store
- Any type of Booster Club materials
- Any other item sold as personal property (i.e. school pictures, uniforms, etc.)
- All sales of items such as handicrafts, T-shirts, candles, cups, books, and school supplies sold by a school associated organization during a fundraising drive
- All other personal property except for those items specifically excluded above

Sales tax should be filed in accordance with the State Comptroller’s guidelines. Further information can be found on the Comptroller’s website: [http://www.window.state.tx.us](http://www.window.state.tx.us)
ANNUAL FEDERAL FILING REQUIREMENTS

Every booster organization exempt from federal income tax under section 501(a) is required to either file an annual Form 990 Return of Organization Exempt from Income Tax, Form 990-N Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required To File Form 990 or 990-EZ or Form 990-EZ, Short Form Return of Organization Exempt From Income Tax. The return is due by the 15th day of the 5th month after the close of the organization’s tax year or fiscal year. According to the IRS, small tax-exempt organizations, such as small booster clubs, are required to file an annual electronic notice Form 990-N (e-Postcard). The e-Postcard is required to be filed on-line. The e-Postcard is due every year by the 15th day of the 5th month after the close of the organization’s tax year. A booster club cannot file the e-Postcard until after its tax year ends. Whether or not a booster club has filed for exemption status with the IRS, it should still file the appropriate 990 form as required by exempt organizations. IRS regulations affect not-for-profit organizations and their requirements for financial reporting.

For the fiscal year ending in 2011 and later:

Booster Clubs must use Form 990-N, normally known as the e-Postcard if:
1. Gross receipts are $50,000 or less.

Booster Clubs must use Form 990-EZ if:
1. Gross receipts are more than $50,000 but less than $200,000 AND
2. Total assets are less than $500,000 at year-end.

Booster Clubs must use Form 990 if:
1. Gross receipts are $200,000 or more OR
2. Total assets are $500,000 or more at year-end.

These provisions may change so consult with a tax professional or the IRS for additional assistance. Even though booster organizations are recognized as tax exempt, they may be liable for Federal tax on the portion of income deemed to be unrelated business income (“UBI”). UBI is income from a trade or business activity, regularly carried on that is not substantially related to the charitable, education or other purposes that are the basis for the organization’s exemption. An organization that has $1,000 or more gross income from UBI must file Form 990-T, Exempt Organization Business Income Tax Return. This form is filed in addition to Form 990, 990-EZ, or 990-N and is required regardless of the level of the income received.

If the booster club’s address has changed a notification must be sent to the IRS to ensure that any IRS refund or correspondence is received. To change an address with the IRS, complete Form 8822, Address Change Request, and send it to the address shown on the form.

Financial Reporting

At a minimum, the organization’s membership should be provided with a financial statement and bank reconciliation at each meeting. The financial statement should provide a comparison of budgeted versus actual expenditures and receipts. Cash receipts and disbursement reports should be available for review when needed and at the annual audit.

Financial Reporting to the District

GASB Statement No. 39 of the Governmental Accounting Standards Board requires the District to obtain and review financial performance information of supporting organizations to
determine whether these organizations should be considered a component unit. To this end, Booster Clubs are required to submit to the Executive Board end-of-year financial statements. End-of-year financial statements should be submitted to the Financial Services office. (One time a year, by September 1st)

Cash Receipt Procedures
All cash collections received by the Booster Club for fees, dues, fundraising, etc. must be deposited upon receipt. All funds must be supported by some type of record documenting the source and amount of funds. Such documentation should be readily available for audit purposes.

It is recommended that deposits be made daily if the total receipts on hand exceed $250.00. If daily receipts are less than $250.00, deposits shall be made within one week even if the receipts for all days combined are less than $250.00. All money must be deposited prior to holidays and weekends.

Bank deposits should be prepared as follows to ensure the integrity of the financial reporting:

- Two booster club members should separately count and confirm bank deposits.
- Separate all currency and coins by denomination and carefully count and record it in the appropriate section of the bank deposit form.
- A tape may be run of any checks included in the deposit rather than indicating the checks individually on the deposit slip. A copy of the tape should be retained with your copy of the deposit records.
- Total the deposit slip.
- Tally the pre-numbered cash receipts and make certain this total matches the deposit total.
- Attach the cash receipt verification with a copy of the deposit slip and file in date order.
- For large deposits, have another individual independently count the currency only (not the coins or checks) and verify the currency has been correctly recorded on the deposit slip.
- Both individuals should initial the deposit slip next to the currency amount on the deposit slip.
- Seal the deposit in a deposit bag in the presence of the second individual. This is called dual control and places the organization in a better position to challenge any claim that the bank may make that the currency received was not correct.

Bank Reconciliation
Upon receipt of the monthly bank statement, the balance indicated on the statement shall be reconciled to the bank account balance in the general ledger as of the last day of the month. The reconciliation should be completed within thirty (30) days of the date of the bank statement.

Items needed for reconciliation:
- Bank reconciliation form
- Prior month's bank reconciliation
- Bank statement
• Check Register and/or Cash Disbursement journal
• Cash Receipts journal
• General Ledger

**Payment to LISD Employees**
Booster Club funds cannot be used to supplement a LISD employee’s salary or a coach’s stipend. In no case, can a Booster Club pay a LISD employee directly to compensate them for duties related to their LISD employment. A Booster Club can pay travel expenses for a LISD employee for travel related to a team trip. Booster Clubs should provide 1099 forms to the employee for travel funds granted.

**1099 Requirements**
Internal Revenue Service guidelines require that all payments for services in excess of $600.00 made to an individual by a booster organization be reported on a form 1099 on an annual basis. The Booster Club should secure an IRS form W-9 from the provider at the time of service to ensure the organization has an accurate record of the tax payer identification number. The organization must then issue a form 1099 to all qualifying vendors performed in a calendar year by January 31st.

The Internal Revenue Service website should be accessed for appropriate 1099 reporting requirements and forms.

**Insurance**
The Booster Club should insure its operations, particularly cash handling. Officers could have personal liability for board actions or omissions. An insurance policy protects the officers from any litigation that might result from perceived poor decisions by the board.

To operate on the district property or away using district resources, a Certificate of Insurance (COI) naming Leander ISD as a name additional insured on its Comprehensive General Liability (CGL) policy should be provided.

Fiduciary coverage protects the misappropriation of funds by a volunteer. These policies are generally sold in multiples of $10,000. It can be attached to the CGL policy. If the boosters own property, it is recommended that they consider property coverage as well.

Your group is a separate entity from the school district. Booster Clubs ARE NOT protected from liability by governmental immunity. Carefully read any contracts in their entirety and/or service agreements you are being asked to sign by your vendor. Unless your group is covered by its own general liability insurance policy (either an annual policy or one day event policy), by signing a contract that includes an Indemnification Clause, Hold Harmless Clause, or a Waiver of Liability Clause, you are accepting, in the name of your group and its’ officers, the risk for any and all losses (property damage, bodily injury, personal injury, etc.) incurred or resulting from the event you are contracting for.
**Audit Instructions**

*Why is an audit necessary?*

An audit is an examination of the financial records of the Booster Club. It assures that all income and expenditures are accounted for and consistent with the budget and goals for the year. It also verifies that the bank balance and ledger balance are reconciled. The audit is to protect the Booster Club officers and the organization.

*When is an audit conducted?*

An audit should be conducted at the end of the fiscal year, when there is a change in treasurer, and when there is a change in any officer who signs Booster Club checks.

*Who conducts the audit?*

An audit may be conducted by an outside party, such as a CPA or an audit committee. The audit committee should be comprised of at least two members of the Booster Club (not the President or Treasurer).

*What are the audit procedures?*

Suggested steps for the audit committee:

1. Review reconciled bank statements and canceled checks to determine that:
   a. Disbursements have been properly documented with an invoice or receipt.
   b. Disbursements have been properly approved.
   c. Checks have been properly signed.
   d. Checks have been deposited or cashed by the payee indicated.
   e. Checks have been accounted for in the proper sequence (no missing checks).

2. Check addition and subtraction on cash receipts and deposits.

3. Compare cash receipts and deposits to the bank statement.

4. Verify that receipts and disbursements were allocated to the correct account or budget category and processed in a timely manner.

5. Verify that income from sales, dues, or any other sources have appropriate backup.

6. The total amount collected should match the amount deposited into the bank account.

7. Review the Treasurer’s monthly reports and check them for accuracy. Review the beginning and ending balances on reports to verify that correct ending balances were carried forward as beginning balances on subsequent reports.

8. Determine that only applicable Booster Club officers are authorized signers on bank account(s). Former officers should not remain on the account(s) as authorized signers. In addition, the faculty sponsor shall not be an authorized signer on the account.
9. Obtain proof that all applicable sales taxes were paid.

10. The audited financial report should be signed by all members of the audit committee and submitted to the campus principal or designee no later than August 1 following the end of the fiscal year.

11. Verify that 1099's were issued if applicable.

**Ways to Protect Your Organization against Embezzlement**

1. Money should never be kept at a treasurer’s home.

2. Two people should always count the money, and both should sign the receipt verifying the amount.

3. Two signatures should be required on all checks.

4. Have a member who does not have check signing authority review the bank statement monthly before giving it to the treasurer. This person is looking for red flags including: checks showing up in non-sequential order, checks made out to cash, cash withdrawals, checks written out to non-approved vendors, checks written for non-approved expenses, and checks written out to individuals.

5. Never sign a blank check or a check made out to “cash.”

6. The treasurer should arrange to deposit the money in the bank as soon as the conclusion of the project.

7. Money should be deposited into the organization’s bank account daily, even if a project is ongoing.

8. All bills must be paid by check, never cash.

9. Conduct an annual audit of the books.
Finance Summary

- Obtain an Employer Identification Number (EIN) from the IRS.
- Obtain a 501(c)(3) for tax exempt status from the IRS.
- Allowed 2 tax free days per calendar year.
- Submit end of year financial statements to your campus office and they will forward to the Financial Services office.
- Receipts over $250 should be deposited daily.
- File a 1099 when needed. (over $600)
- Invest in insurance for your booster club.
- Conduct an audit once a year.
V. Fundraisers

Fundraising Activities
IRS Regulations
Raffles/Bingo
Gifts
Donations
Sponsorships
Inventory
**Fundraising Activities**

It is the policy of the District that funds received from Booster Club fundraising activities is used to benefit the student and school in an appropriate way.

Fundraising projects for parental groups shall be:
- For the educational benefit of the student, coordinated through the principal.
- For a specific project as identified in the current approved budget and not for the sake of raising money.
- In connection with the established goals and philosophies of the Booster Club as well as UIL Guidelines.
- The use of individual accounts for members of District groups or clubs is prohibited by the IRS.

Fundraising projects must NOT:
- Require parent or student participation
- Set quotas of any kind
- Be required for students to be eligible for Booster Club scholarship programs, if applicable
- Apply funds raised to benefit individual parents/students and not the whole club

**Approval Process**

- Booster Clubs desiring to conduct a fundraising activity for a school program shall submit the completed “PTA/Booster Fundraising Permission Request” form (found in the resource section) to the principal or designee at least 4 weeks prior to the event.
- Both the principal and the office of Financial Services must approve the fundraiser.
- Submit all fundraisers to the campus for approval, including but not limited to concessions, spirit items, tournaments, etc. The campus will forward them to the district for review and approval. Booster Clubs should contact their campus for approval status on fundraising requests.
- Sponsorship Packages with benefits to the sponsor are considered fundraisers. Be sure your sponsorship package has been reviewed and approved by your principal, as well as by School Community Relations, prior to submitting your fundraising request form to avoid any conflicts with district policy of other advertising guidelines. Sponsorship packages should be reviewed each year.
- A “fundraiser” is any activity that RAISES FUNDS. When in doubt, please contact your campus PRIOR TO implementing an activity. (This includes ONLINE spirit sales or other online revenue generating activities, including crowd funding sources like GoFundMe.)
- Color runs must follow the district’s Color Run/Color Battle Guidelines. Those guidelines are contained in the resource section of these booster club guidelines.

**IRS Regulations**

The IRS prohibits tax-exempt organizations from requiring people to participate in fundraisers. Likewise, Booster Clubs may not require an amount be “donated” in lieu of
participating in the fundraiser. People may choose whether or not to participate in a fundraiser and may choose whether or not to donate to the Booster Club. Furthermore, if a person decides not to participate, that person cannot be excluded from having the opportunity to benefit from the fundraiser and cannot be penalized in any way for choosing not to participate in the fundraiser. Furthermore, benefits given by a tax-exempt organization cannot be based on participation in a fundraiser or based on revenues raised individually. Therefore, regardless if a person participates in a fundraiser and regardless of the amount of revenue raised, that person cannot be denied the opportunity to receive an equal benefit.

**Raffles/Bingo**

The school district is prohibited by Texas law from sponsoring or conducting any raffle or bingo game for the purpose of raising money. However, there is a state Charitable Raffle Enabling Act (and also one for bingo) that allows organizations that support schools to conduct raffles under certain conditions. A raffle is any activity that involves awarding a prize—anything of value from a cake to a car—to one or more people who have purchased a ticket.

The Charitable Raffle Enabling Act, effective January 1, 1990, permits “qualified organizations” to hold up to two raffles per calendar year, with certain specified restrictions.

A nonprofit organization that has existed for at least three preceding years, during which it has had a governing body duly elected by its members and is exempt from federal income tax under Section 501(c)(3), Internal Revenue Code; does not distribute any of its income to its members, officers or governing body; does not devote a substantial part of its activities to attempting to influence legislation; and does not participate in any political campaign.

The language of the law is very technical. If you are considering holding a raffle to benefit an organization, you should check the statutes to be sure you qualify. [http://www.statutes.legis.state.tx.us/Docs/OC/htm/OC.2002.htm](http://www.statutes.legis.state.tx.us/Docs/OC/htm/OC.2002.htm)

Per GKB local board policy, no raffles, bingo, or other games of chance may be advertised, held on district property, or tickets sold on district property. Therefore, a raffle cannot be promoted with district resources (i.e. no posters/flyers on campuses, on district owed websites, nor via Peachjar.)

*While you may hold a casino night as a service to our students, you may not hold a casino night as a fundraiser. This is restricted by the State of Texas.

**Gifts**

Coaches, sponsors, and directors of UIL academics, athletics and fine arts may not accept more than $500 in money, product or service from any source in recognition of or appreciation for coaching, directing or sponsoring UIL activities. The $500 limit is cumulative for a calendar year and is not specific to any one particular gift.

**Funds provide to District**

Any expenditure for direct operating expenses; example-salaries, furniture, or equipment; must be submitted to the Financial Services Department with the proper forms along with a
check from the booster club made payable to Leander ISD.

**Sponsorships**
Booster clubs seeking sponsorships from community businesses/organizations should adhere to district policies on advertising (GKB – Local), including content, sponsorships, and approved advertising found in/on Booster Club websites and other printed materials and publications – such as flyers and athletics programs. (Ex: businesses promoting alcohol or firearms would not be acceptable sponsors/advertisers.)

**Inventory**
Any items donated or purchased with booster funds such as furniture, equipment, supplies, or clothing (uniforms, practice gear) should be placed on the sponsor's/coach’s yearly inventory form.

**Food Fundraisers and Restaurant “Spirit Nights”**
All food fundraisers must meet the Texas Department of Agriculture Competitive Food Nutritional Standards. Please check with your campus before committing to any sales of food/concessions.

Restaurants/businesses that include promotion of alcohol in their name and/or logo should alter their name and/or logo to adhere to Board Policy on Advertising, (ex: BJ’s Brewhouse needs to provide a logo that does not include “brewhouse” in the logo nor in other promotional language.)

**Fundraisers Using District Facilities/Property**
When a district facility/property is used for a fundraiser on a non-school day, you will be invoiced for custodial costs. If you are using a third-party vendor for fundraising, facility use fees and personnel costs will be incurred.
Fundraising Summary

- Complete the PTA/Booster Fundraising Permission Form and turn into campus principal for approval at least 4 weeks before holding any fundraising activities.
- Do not require people to participate in a fundraising activity.
- Do not require a certain amount to be raised or sold per person.
- Contact Facilities Rentals Department to make arrangements to use school facilities and to confirm any additional costs, if applicable.
- If using a third party vendor for fundraising, the vendor must contact Facilities Rentals to reserve the needed facilities, arrange a rental agreement, and provide insurance information.
- Booster clubs seeking sponsorships from community businesses/organizations should adhere to district policies on advertising (GKB – Local).
- Gifts over $500 to coaches, sponsors, or directors are not permissible. The $500 limit is cumulative for a calendar year and is not specific to any one particular gift.
VI. Scholarships

Requirements
Guidelines for Scholarship Review Committee

Scholarships
The District requires Booster Clubs to implement scholarship programs that are consistent with all other scholarship programs.
Requirements include:

- All qualifying seniors must have the opportunity to apply for the scholarship(s).

- The application process must be reviewed and approved by the campus principal or designee to ensure that implemented processes are consistent with other scholarship programs on the campus.

- The application process must be clearly communicated, and the application forms must be readily available to all potential applicants and their parents and/or guardians before the end of the first grading period of the academic year.

- The Scholarship Review Committee must be appointed by the President of the Booster Club before the first day of the academic year.

- The Scholarship Review Committee must be made up of an odd number (5-7) of members (parents of the Booster Club who do not have children eligible for consideration for the scholarship, interested teachers, campus administrators, and/or the sponsor). Many times the sponsor is an ex-officio member of the Scholarship Review Committee and not an actual voting member so the sponsor is a source for additional information/input to the Scholarship Review Committee and a final review resource for the Scholarship Review Committee decisions.

- The Scholarship Review Committee must consider all qualifying applicants.

- Applicants identifying information must be redacted for the Scholarship Review Committee to ensure equitable review.

- The qualification criteria for selection for scholarship winners (if any) must be communicated in writing to all potential applicants before the end of the first grading period of the academic year and may not be changed during the scholarship award period. Any changes to the scholarship qualification criteria must be recommended by the sponsor and voted on by the Booster Club membership no later than the May Booster Club meeting for changes effective in the upcoming academic year.

- The application, scoring, decision materials, tabulation, notes, certified recordings, and/or any other documentation used by the Scholarship Review Committee in connection with a given applicable shall be made available upon written request to that applicant. An open records request fee may be charged for this service. Scholarship Review Committee must retain the original materials for a minimum of seven years.

- Scholarship applicants shall be full-time LISD senior students for a minimum of one full semester prior to the application deadline.

- All completed applications must be turned in to the LISD Senior Counselor no later than the deadline set for local scholarship applications.
• All scholarship applications which do not have the required information will be considered incomplete and returned to the applicant.

• Scholarship awards may not be "need" based.

• The applicant's intended major may or may not be made a factor in scholarship consideration.

• The applicant's enrollment in an accredited institution (college, university, trade school, military academy, etc.) is a requirement for receiving scholarship funds.

The Booster Club may not require interviews with applicants in the decision process.

The scholarship committee may require an essay for judging purposes. Essay topics may be selected each year and given to all applicants, or the Scholarship Review Committee may allow each applicant to select their own topic upon the sponsor's approval.
Scholarship Summary

- Scholarship Review Committee should be appointed by President before the first day of the school year.

- All completed applications must be turned in to the LISD Senior Counselor no later than the deadline set for local scholarship applications.

- Applicants must be de-identified for the Scholarship Review Committee.

- Scholarships may only be awarded to seniors.

- Scholarships may not be “need” based.

- Members of the Booster Club who have a child eligible for a scholarship may not serve on the Scholarship Review Committee.

- Sponsor/coach may not be involved in the selection process.

- Checks will be written to the university (not the student) after a receipt/invoice has been provided.
VII. Advertisements

Advertising
Flyers
Trademarking
Banner Sales

*Advertising*
The district manages all advertising at its facilities. Booster Clubs should not agree to any form of advertising at LISD facilities. There may be some revenue sharing arrangements if the Booster
participates in attracting an advertiser upon prior approval through School and Community Relations.

**So what is the difference between a sponsorship and advertisement?**

According to the IRS, a qualified sponsorship is “any payment made by a person engaged in a trade or business for which the person will receive no substantial benefit other than the use or acknowledgement of the business name, logo, or product lines in connection with the organization’s activities.” For instance, if a nonprofit organization simply acknowledges the sponsor’s name, logo, and/or slogan, then the nonprofit organization would not have to pay tax on the income.

The IRS describes advertising as other activities that “promote” the sponsor’s products or services which include:

1. Messages containing qualitative or comparative language, price information, or other indications of savings or value,
2. Endorsements,
3. Inducements to purchase, sell, or use the products or services.

Any and all advertising that promotes LISD schools, programs, campuses or other LISD assets must go through School and Community Relations. If you are unsure whether or not your activity falls under ADVERTISING or SPONSORSHIPS, please contact School and Community Relations. If you are seeking SPONSORS, this might be considered a FUNDRAISER in which case you need to submit the appropriate fundraising request forms through Business and Operations. *ANNUAL SPONSORSHIP PACKAGES should be reviewed by district administration prior to launching each year.

Any advertising flyers, fanners, website, etc. MUST clearly state your organization’s name. Example: XYZ Booster Club

**Sponsorship Banners**

District policy and advertising guidelines do not permit the display of sponsorship banners or other advertising signage (including other printed materials such as posters, flyers, banners, etc.) within campus hallways or other student areas without prior authorization from district administration. Advertising banners are only authorized in certain locations as coordinated through School Community Relations. (Ex: Sponsorship banners with business names and logos are not allowed to be hung up on district owned property without authorization, to include hallways, classrooms, gyms, front offices and other areas.)

**Flyers**

District criteria state that 501(c)(3) tax-exempt organizations may submit flyers to the School and Community Relations Department for approval. Booster Clubs should submit a PDF file of their flyer to communityflyers@leanderisd.org for review and approval.

- All such flyers are reviewed for electronic distribution through the district’s agreement with Peachjar AT NO CHARGE TO THE BOOSTER and are not physically delivered to campuses.
- At the principal's discretion, a limited number of printed/paper flyers may be distributed at the campus front office (for those without computer access, or to post on campus) or by the sponsoring class/program to encourage participation.
- All posters and flyers for fundraising activities as sponsored by an approved Booster Club must be approved by the sponsoring campus and the district with appropriate disclaimers/approvals noted directly on the flyer – regardless of whether or not the
Booster Club submits for electronic distribution.

- Full details on community flyer distribution can be found at: http://www.leanderisd.org/default.aspx?name=com.peachjar

**TIPS WHEN CREATING FLYERS, SPONSORSHIP PACKAGES OR OTHER SOLICITATION LETTERS**

- Be sure you include:
  - WHO is coordinating the event, and BE SPECIFIC (ex: CPHS Celebrities Booster Club)
  - WHAT is the event for (ex: is hosting a summer dance clinic for dancers grades K-6)
  - WHEN is the event (ex: Saturday, July 31)
  - WHERE is the event (at Cedar Park High School, 2150 Cypress Creek Road)
  - WHY is the event being held (ex: to raise funds for 2016-2017 dance competition fees)
  - A contact phone number and/or email address for interested participants should they have questions.
  - A disclaimer at the bottom that says your eflyer has been reviewed and approved for distribution. (This is “best practice” whether you distribute via Peachjar or not.)
  - A working website address for the BOOSTER that might include additional information if someone is looking for more details or to verify legitimacy of the program.

**District Trademarking and Licensing Agreement**

The district has entered into a trademarking and licensing agreement with K12 Licensing regarding the use of its high school names, logos, and other identifying marks. The Licensing Program helps protect our Booster Clubs from trademark infringement and from unlicensed competitors. When a Licensing Program is implemented, groups typically see their sales and their profits increase as demand for officially licensed school merchandise increases and the number of licensed vendors is limited.

- The program will require that all items sold by any non-district entity must include a hangtag/sticker that identifies the item as legitimate and an authorized user of LISD's identifying marks. (*This includes online stores that provide merchandizing options for spirit wear items.)
  - Leander ISD exempted booster and PTA organizations from licensing fees.

For details, please refer to the LISD website at http://www.leanderisd.org/cms/one.aspx?pageId=324033

**Banner Advertising Revenue Share Program**

Booster clubs that are approved to participate in the Banner Advertising Revenue Share Program may solicit businesses for banner advertising at various LISD athletic venues. Leander ISD Booster
Clubs that participate in athletics banner advertising and revenue share will retain 75% of their banner advertising revenue and will give 25% to the district. All banners are currently $500 per location/venue and multi-banner discounts are not offered. Banner advertising that is not coordinated through the district is not allowed.

Approved booster clubs that wish to participate in the Banner Revenue Share program must submit the appropriate District Agreement in order to receive their Banner Advertising Agreement for the current school year. Booster clubs are not permitted to sell banners unless they have completed the required documents and understand the banner advertising process.

With the installation of video scoreboards at all three regional stadiums, digital ad revenue share opportunities may also be available to approved boosters.

For a complete description of the Banner Advertising Revenue Share Program, please contact Rachel Acosta in School and Community Relations at rachel.acosta@leanderisd.org.
Advertising Summary

- Leander ISD manages all advertising for its assets (facilities, programs, stadiums, etc.)

- Submit promotional flyers for fundraisers to the School/Community Relations Department for review and approval via email to communityflyers@leanderisd.org. http://www.leanderisd.org/default.aspx?name=com.peachjar

- In the Banner Advertising Revenue Share Program, participating boosters receive 75% of banner advertising sales if banners are sold by the booster club. Digital ad revenue share is currently 50/50.

- Banner sales and the hanging of banners are coordinated through School and Community Relations. Contact Rachel Acosta at rachel.acosta@leanderisd.org.

- All athletics advertising banners are $500 per location, per banner. The cost of the banner is not included in the cost to advertise.
VIII. Additional Guidelines

As per the UIL Booster Club Guidelines:

Athletic Boosters
Academic Boosters
Music Boosters
Other Requirements
As per the UIL Booster Club Guidelines:

**Athletic Boosters**

*Club restrictions*
Booster clubs cannot give anything to students, including awards. Check with school administrators before giving anything to a student, school sponsor or Coach. Schools must give prior approval for any banquet or get-together given for students. All fans, not just members of the booster club, should be aware of this rule. It affects the entire community.

*Unlike music and academic booster clubs, athletic booster club funds shall not be used to support athletic camps, clinics, private instruction or any activity outside of the school.*

*Booster groups or individuals may donate money or merchandise to the school with prior approval of the administration. These kinds of donations are often made to cover the cost of commercial transportation and to cover costs for out-of-town meals.*

*Individuals should be informed of the seriousness of violating the athletic amateur rule. The penalty to a student-athlete is forfeiture of varsity athletic eligibility in the sport for which the violation occurred for one calendar year from the date of the violation. Student athletes are prohibited from accepting valuable consideration for participation in school athletics - anything that is not given or offered to the entire student body on the same basis that it is given or offered to an athlete. Valuable consideration is defined as tangible or intangible property or service including anything that is usable, wearable, sellable or consumable. Local school districts superintendents have the discretion to allow student athletes to accept, from their fellow students, small ‘goodie bags' that contain candy, cookies or other items that have no intrinsic value and are not considered valuable consideration.*

*Homemade “spirit signs” made from paper and normal supplies a student purchases for school use may be placed on the students’ lockers or in their yards. Yard signs made of commercial quality wood, plastic, etc. if not purchased or made by the individual player's parent, must be returned after the season.*

*Parties for athletes are governed by the following State Executive Committee interpretation of Section 441 of the UIL Constitution & Contest Rules.*
Official Interpretation of the UIL Athletic Amateur Rule, section 441 of the UIL Constitution and Contest Rules:

(a) VALUABLE CONSIDERATION SCHOOL TEAMS AND ATHLETES MAY ACCEPT:

1. Pre-Season. School athletic teams may be given pre-season meals, if approved by the school.

2. Post-Season. School athletic teams may be given post-season meals if approved by the school. Banquet favors or gifts are considered valuable consideration and are subject to the Awards and Amateur Rules if they are given to a student athlete at any time.

3. Other. If approved by the school, school athletic teams and athletes may be invited to and may attend functions where free admission is offered, or where refreshments and/or meals are served. Athletes or athletic teams may be recognized at these functions, but may not accept anything, other than food items, that is not given to all other students.

(b) ADDITIONAL VALUABLE CONSIDERATION THAT SCHOOL TEAMS AND ATHLETES MAY ACCEPT:
Examples of additional items deemed allowable under this interpretation if approved by the school, include but are not limited to:

1. Meals, snacks or snack foods during or after practices;
2. Parties provided by parents or other students strictly for an athletic team

Local school district superintendents continue to have the discretion to allow student athletes to accept small “goodie bags” that contain candy, cookies or other items that have no intrinsic value and are not considered valuable consideration.
As per the UIL Booster Club Guidelines:

**Academic Boosters**

The rules for athletics are different than the rules for academics and music. Athletes are restricted by the Athletic Amateur Rule, which states that athletes cannot accept money or valuable consideration for participating in a UIL sport or for allowing their names to be used in promoting a product, plan or service related to a UIL contest. Academics have no amateur rule. Journalism participants may work for a newspaper and be paid. Actors may work summer stock and be paid. Students may win calculators and software for participating in invitational math contests.

UIL academic students are restricted by the Awards Rule. So, as a general practice, booster clubs should not give gifts or awards to students for their participation in UIL contests that count toward district, region or state standing. School booster clubs may raise money to purchase letter jackets, provided the funds are given to the school without designation to buy jackets for particular students and the school determines criteria for awarding the jackets. Parents may purchase jackets for their own children provided the school designates the student as being qualified to receive the jacket.

Booster Clubs may raise money to provide an annual banquet for academic participants and coaches. With prior administrative approval, you may also:

* Purchase equipment for programs such as computers or software for yearbook or computer science;

* Organize and chaperone trips and assist with expenses for travel to academic competitions or educational trips such as journalism conventions or speech tournaments. Booster club funds may be used to provide food and refreshments for students on these trips. A purely recreational trip to Six Flags Over Texas would not meet the definition of an educational field trip and could be considered a violation of the Awards Rule;

* Run tournaments, organize fundraising efforts, recruit corporate donors, raise money for scholarships and arrange for tutors and professional trainers to work with students;

* Fund academic workshop scholarships provided selection of the recipients is not based solely on their success in interscholastic competition. Selection could be based on grade point average or the student’s selection of high school courses. All students meeting the conditions for scholarship assistance should be notified and eligible for financial assistance. Funds should be monitored to ensure that they are expended for camp or workshop purposes.
As per the UIL Booster Club Guidelines:

Music Boosters

In addition to the general procedures outlined, the following guidelines apply to Music Booster Club activities.

*Some music booster clubs assist with expenses for travel to various music-related activities such as UIL contests and performances at away athletic events. Such financial support violates no UIL rules provided that it is approved and coordinated by the local school district.

*Many music groups schedule educational field trips with the approval of the local school administration and under local school district policies. For such trips, specific educational components must be included such as performing for a music festival, an adjudicated contest or a concert tour. Marching performances such as the Macy’s Thanksgiving Day Parade, the Rose Bowl Parade or other similar ceremonial appearances also qualify. However, educational components need not be limited to performances. Concert attendance, visiting university/conservatory music facilities and other music related, non-performing opportunities would also be appropriate if approved by the local school district.

*A recreational trip, on the other hand, would not meet the definition of an educational field trip as provided in Section 480 of the UIL Constitution and Contest Rules. Students receiving the benefits of a purely recreational trip would likely be in violation of the Awards Rule.

*Booster Clubs may also fund scholarships for private lessons and summer music camps provided the selection of the recipients is not based on success in interscholastic competition. Funds for such activities should be carefully monitored to ensure that they are expended for educational rather than recreational activities.

*The awarding of patches, T-shirts or other items for achievement in interscholastic competition would be subject to the UIL Awards Rule. In order to protect all music students’ eligibility, such awards should be approved and administrated by the local school district in accordance with school district policies.

*Be mindful of the fact that there is no Music Amateur Rule. Therefore, limitations established in athletics intended to ensure compliance with the Athletic Amateur Rule do not apply to music programs and related activities.
**OTHER REQUIREMENTS**

The following guidelines apply to all parent/booster organizations. If a question should arise which cannot be resolved at the campus level, the Chief Financial Officer or the Athletic Director should be contacted for clarification.

- Principal must approve on-campus activities, including meeting times, place, dates, fundraisers and activities. Such activities cannot conflict with school schedules or activities, district policy or financial procedures, and must be in accordance with Texas Education Agency (TEA) and University Interscholastic League (UIL) guidelines. These will take precedence over Booster Club activities.

- On-campus activities, especially fundraisers, should not supplant, duplicate, nor interfere with those of other school or Booster Clubs. The principal has the authority to limit the number of on-campus fundraisers.

- There will be no student activities, parties, meetings, travel or other gathering in the name of the school organization or booster organization unless prior permission has been received from the sponsor and the principal. The sponsor must be present. All activities will be under the guidance of the school and the District.

- Booster Club members, parents, etc. are expected to follow the same standards of conduct as district employees where chaperoning, sponsoring, or attending student activities.

- Each student or group of students’ participation will be determined by the sponsor and the principal and not by the organization or any member(s). Participation is considered a privilege and not a right and will be based on a proven record of good conduct and dependability. Lack of such demonstrated behavior on the part of anyone will be grounds for disapproval for participation and travel.

- Booster Clubs that contract with workers should use the Booster Club Contractor Acknowledgement form found in the resource section of these guidelines.

- The purchase or consumption of alcoholic beverages and tobacco products while on school property or in the presence of students is specifically prohibited.

- Organizations shall not directly support political activities by providing campaign donations or placing advertisements in support of a particular candidate as doing so could jeopardize the tax exempt status of the organization. If a candidate running for office is invited to join a meeting, all candidates running for the office must be extended an invitation to the event.

Color Run/Color Battle Guidelines

Leander ISD recognizes the importance and value of campus led fundraisers. In an effort to maintain a clean and safe learning environment and ensure the health and safety of our students and staff, the following guidelines are in place for approved events and activities using coloring agents or dyes:

- Any event(s) that include the use of coloring agents or dyes must be submitted to and approved by both the appropriate member of Finance and Facilities and Operations. In order to keep the colored powder/dust from entering our fresh air units on our buildings, Energy Management will be notified by Facilities and Operations in order for the appropriate unit(s) to be shut off during the event.

- Event must be held outdoors and away from any buildings, turf or competition fields, or areas where bleachers or other structures may be damaged.

- Quantities of colored powder/dye are limited to no more than 4oz. (1/2 cup) per person.

- A Safety Data Sheet (SDS) must be provided along with the fundraiser request.

- Event will be cancelled if rain is expected during the course of the event.

- In order to keep our buses clean for all students, participants must bring their own towels and/or change of clothes.
  
  o Campus is responsible for ensuring that participants boarding a bus (if event is held during the school day) after the event are free of any colored powder/dyes.

  o In the event additional cleaning of a bus is required due to a color run/color battle event, the campus will be charged for any additional cleaning, per bus. The estimated cost for a bus driver to clean one bus is $60.

- Any damage incurred, or additional clean up required from a color event, will be charged to the campus.

PURPOSE & ROLE OF SUPPORT ORGANIZATIONS
- Support the students in your district.
- Fundraising.
- Organize activities for the school community.

DISTRICT & SUPPORT ORGANIZATIONS ARE SEPARATE LEGAL ENTITIES
- Oversight and Accountability
- Purchasing Issues
- Liability Issues
- “Gift of Public Funds”

GIFT OF PUBLIC FUNDS
- Article III of the Texas Constitution
- Support Organization vs. School District
- The Test
GIFT OF PUBLIC FUNDS – THE TEST

• To ensure a gift of public funds has not occurred, i.e. the Test:
  • Predominant purpose of expenditure is to accomplish a public purpose appropriate to the District;
  • The District maintains control over the funds to ensure public purpose is carried out and to protect the public’s investment; and
  • The District receives a return benefit.

HYPO - GIFT OF PUBLIC FUNDS #1

• Can a school district ask its legal counsel to advise a booster club on whether to structure itself as a 501(c)(3) non-profit corporation?
  • No.
  • How do you make it legal?
    • You can’t. Suggest to the booster club to seek its own legal counsel and/or tax professional.
    • FYI, legal counsel cannot provide legal advice to an entity that is not its client. It would create an attorney-client relationship with the support organization and a conflict of interest.

HYPO - GIFT OF PUBLIC FUNDS #2

• Booster club asks school district to allow it to use gymnasium for activity at no cost. Can the district allow this?
  • Yes.
    • GKD (Local) requires payment of a rental fee for non-school use of facilities and use of gymnasium only when primary participants are school-aged children.
    • However, GE (Local) states:
      • District-affiliated school-support or booster organizations may use District facilities with prior approval of the appropriate administrator; and
      • Other parent groups may use District facilities in accordance with policy GKD.
FACILITIES USE

• Policy GE (Local) allows for facilities use by boosters/PTAs/PTOs ... couldn’t they already use our facilities?
• GE (Local) contemplates that these organizations can use the facilities outside of the requirements contained in GKD (Local).
• While you may waive the fees associated with booster/PTA/PTO facility use, you should still have basic facility use agreements in place with the organizations.
  • Guidelines governing the use of district facilities and the organization’s responsibility to indemnify the district for any damage to people/property arising out of the organization’s use of district facilities

GOVERNANCE AND LEGAL DUTIES OF SUPPORT ORGANIZATIONS

• Governed by Articles of Incorporation, Constitution and/or By-laws.
• Affiliated with the District
• Must abide by statewide or nationwide regulations
• Non-profit status
• IRS
• PIA

FORMATION OF SUPPORT ORGANIZATIONS: BASIC REQUIREMENTS

• Obtain approval from District
• File a Certificate of Formation with the Secretary of State
• Articles of Incorporation, Constitution and/or Bylaws
• 501(c)(3)?
• Sales and use tax permit
• Post office box/permanent mailing address
• Proof of liability insurance
SCHOOL DISTRICT AUTHORITY TO RECEIVE DONATIONS

- BAA (Legal)
- CDC (Legal)
- CDC (Local)

SCHOLARSHIPS

- A Booster Club may award scholarships consistent with the District's scholarship program/philosophy/objectives/Board Policies/and UIL rules.
- School booster clubs are allowed to give scholarships to students. If a booster organization is sponsoring a scholarship for district students, it must have the school principal's approval (UIL requirement). Such scholarships may not be awarded until the student has exhausted all remaining UIL eligibility. Additionally, any monies should be given directly to the institution the student is to attend or to the student with proper proof of enrollment.

TAX CONSIDERATIONS

- Depending on the 501(c)(3) status of the organization, the booster/PTA/PTO may be eligible for certain tax benefits similar to the district
  - Two one-day tax-free sales per calendar year
  - Tax-deductible donations
RELATIONSHIP BETWEEN DISTRICT AND SUPPORT ORGANIZATIONS

- Districts may accept or reject donations.
- District may assist the organization in limited ways.
  - Districts are often asked to assist by providing: Materials/ facilities/ equipment/ personnel/ use of revenue-producing assets.
  - If the District assists, it may be considered a “gift of public funds.” Apply the Test.
  - District and Support Organization may hold meetings to clarify roles and responsibilities.
  - District is required to conduct criminal background check on all volunteers working with students.

PROHIBITED TRANSACTIONS

- Gifts of public money or donations by the school district of items of value are prohibited.
- Districts may not legally undertake any activity that promotes, endorses or prohibits the exercise of political or religious beliefs.
- Use of district vehicles for non-school functions is problematic. Could create exception to governmental immunity.
- Districts should refuse to provide financial or professional services for organizations.
- Districts are prohibited from conducting raffles.

EXAMPLE - TITLE IX

- A district has a boys’ baseball and girls’ softball team. The teams have an equal number of participants and equivalent operational needs. The district provides each team with a $4000 budget.
  - The boys’ baseball team has a corresponding booster club. The softball team does not.
  - The club raises an additional $3000 for the boys’ team and requests approval from the superintendent to use the funds to purchase new equipment and uniforms for the boys’ baseball team. Although these funds are not spent by the district, the funds will be included in the funding analysis for Title IX purposes.
  - To avoid a Title IX violation, the district could:
    - spend more of the district’s money on the girls’ team;
    - deny the booster club’s purchasing request;
    - convince the club to divide the funds equally between the two teams.
- Districts should note that spending on extracurricular programs is only one aspect of compliance with Title IX. If a district is anticipating a significant boost from a booster club (such as a generous gift to the football program), the district should seek advice from an attorney before accepting the gift to ensure that it is spent in a manner that would provide benefit to the programs available to both sexes.
WHAT IS A RAFFLE?

• The Texas Charitable Raffle Enabling Act §2002.001(6) defines a raffle as the award of one or more prizes by chance at a single occasion among a single pool or group of persons who have paid or promised a thing of value for a ticket that represents a chance to win a prize.
• Qualified organizations may hold two raffles per year.
• Prize may not be money. There is no value limit on prizes donated. However, if raffle organizers buy a prize, the value may not exceed $50,000.
• Other rules apply, consult Attorney General website.

RAFFLES: KNOW THE LAW

• The Charitable Raffle Enabling Act authorizes “qualified nonprofit organizations” to hold raffles, and includes the following requirements:
  • Must be at least three years old;
  • Must elect its governing body;
  • Must have a 501(c) tax exemption;
  • Must have members;
  • Cannot distribute income to its members, and
  • Cannot participate in any political campaign.
• Keep in mind there are Tax/IRS implications as well.
• Policy CDC (Legal): a school district is not a “qualified nonprofit organization” for purposes of the Charitable Raffle Enabling Act.

APPLICABILITY OF DISTRICT POLICIES TO BOOSTER OPERATIONS

• Policy FFA (LEGAL)
  • Covering all food provided to and/or sold to students during the school day
• Policy CY (LOCAL)
  • Covering use of the district’s logo and other intellectual property
• Policy GA (LEGAL)
  • Prohibiting discriminatory access/non-access to school services and activities
ORGANIZATIONAL FUNDS

- Reduce overlap between District and Booster Club.
- Officers should be responsible for the flow of funds.
- By-laws may require appointment of an audit committee for periodic review of financial records.
- Use of an external, independent accountant or auditor may be advisable.
- Bank account statements provide an overview of the organization's financial status.
- Establish separate responsibilities for collection, bookkeeping, accounting and disbursement of funds.

HYPO - CONFLICT #1

- Should a District employee or official serve as president of the booster club?
  - No law specifically prohibits a board member from serving as a booster club officer, but this is not a recommended practice.
  - Similarly, an employee considering service as a booster club officer should be aware of the potential conflict of interest.
  - Policy DBD(LOCAL) requires an employee to notify his or her supervisor of any personal obligation or relationship that in any way creates a potential conflict of interest with the employee’s job duties or the best interests of the district.

UNIVERSITY INTERSCHOLASTIC LEAGUE (UIL) BOOSTER CLUB GUIDELINES

- General Guidelines:
  - Role of the Superintendent
  - Role of the Booster Clubs
  - Written policies

MAINTAINING YOUR IDENTITY

- Does the organization have special access to your facilities?
- Does the organization have special access to your staff/students?
- Do your employees routinely assist in the organization’s activities?
- Is the organization allowed to use your name/mascot/logo?
- Is the organization a separate legal entity?
- Does the organization distinguish itself from you in its messaging?
RECOMMENDATIONS

• Fund raising activities should support the educational goals of the school or program and should not exploit students.
• The Booster Club must obtain District approval before engaging in fundraising projects, but the Booster Club retains control over the details of the project and the initiation of expenditures of funds.
• Fund raising should be primarily done by parents, with students having limited participation and solely as volunteers (never require students to participate nor establish separate accounts for individual students).
• For UIL Booster Clubs, they may donate funds to a school or to the school district and may make suggestions or recommendations, however, when these funds are deposited in a school or school district account, the Booster Club relinquishes all control over these funds. Money donated to a school from a UIL Booster Club may not be earmarked for a particular expense.
• Booster Club funds should not be used to support individual students or to support athletic camps, clinics, private instruction or any activity outside of the school (only applies to athletics and not academics/fine arts).
• Booster Clubs must benefit the group as a whole, not its individual members, and the use of individual accounts is prohibited.
• Contributions should be made directly to the District or outside entity and not directly to any particular student (exception: Scholarships).

CHECKLISTS ARE GOOD!

• Create a form to be signed by the Booster Club President each year:
  • Provide Annually:
    • Current Officers
    • Copy of company docs (COF, Bylaws)
    • Annual Budget / Planned fundraising
  • Provide frequently:
    • Quarterly financial statements, itemizing receipts and expenditures
    • Minutes of each meeting
    • Detailed annual audit

REGISTRATION/REPORT FORMS ARE GOOD!

• Require each Booster Club to complete a Registration and Approval Form that includes name/contact info/address/student group and statement verifying understanding of the District’s regulations; philosophy, Board policy, etc. and that noncompliance may result in disbanding of the Booster Club.
• Require annual reporting forms that note submission of all required information
  • Names and contact information
  • Annual budget
  • Audit/financial report
  • Approved minutes
  • Changes to the organization’s Bylaws
  • Agreement and consent to provide criminal background checks for all officers and volunteers who expect to have contact with students or be on school property.
DO YOU HAVE ADMINISTRATIVE REGULATIONS?

- You should!
- Basically sets forth these rules in a document that can easily be distributed and signed by Booster Club folks to be clear of the District's administrative regulations and procedures with which all Booster Clubs must comply.

HYPO – EMPLOYEES COLLECTING FUNDS

- A group of teachers have been collecting funds for their school district. While their organization has a name, they are not associated with any support organization (i.e. booster club, PTA, education foundation, etc.) and have not submitted documentation with the Secretary of State or IRS for legal status as a 501(c)(3) non-profit corporation.
  - Good idea?
  - No. Why?
  - Accountability.
  - Essentially, you have school employees using their positions to leverage donations on behalf of their employer.
  - When a person/group is collecting funds “on behalf of” a school district, the person/group needs to take some level of formal structure to officially associate itself with the district, and to give clear separation between itself and the district.
  - District employees should not handle money, nor should they be officers or Board members.

HYPO – COMMUNITY MEMBER(S) COLLECTING FUNDS

- A group of community members have been collecting funds for their school district. They are not associated with any support organization (i.e. booster club, PTA, education foundation, etc.) and have not submitted documentation with the Secretary of State or IRS for legal status as a 501(c)(3) non-profit corporation. Good idea?
  - No. Why?
  - Accountability.
  - Essentially, one or more folks walking around a neighborhood asking for money.
  - When a person/group is collecting funds “on behalf of” a school district, the person/group needs to have some level of formal structure to officially associate itself with the district, and to give clear separation between itself and the district.
HYPO – EARMAKED DONATIONS

• Can a school-support organization (supporting a non-UIL Group) raise and donate funds to the District for use on a specific project or for a specific purpose?
  • Yes; however, the District has the ultimate obligation and authority to determine whether to accept a donation that the donor has marked for a specific use.
  • Many considerations: including specific program needs and equitable funding of programs.
  • For example, Title IX of the Education Amendments Act of 1972 requires equitable funding between girls and boys programs, including athletic programs and facilities. School-support organizations should be communicating with District officials in order to ensure full understanding of the District’s needs and limitations.

HYPO – VENDOR SELECTION

• If a school-support organization is raising funds to be donated for District building projects, can the donor organization require that specific vendors or contractors be utilized for the project?
  • No. State law requires that school districts and other governmental entities follow very strict procedures for the procurement of goods and services, in order to secure the best quality and value is obtained, including construction services.
  • This typically requires a formal procurement process in which the Board considers the proposals of several vendors or contractors.
  • Any offered donation which contains a requirement that specific vendors be utilized on the project at issue should be rejected.

HYPO – VENDOR SERVICES

• If a vendor or contractor offers to donate services to a District building project, will the District accept that donation?
  • No.
  • State law requires that school districts follow strict procedures for the procurement of goods and services.
  • If a vendor or contractor chooses to submit a proposal for a District building project in response to the District’s formal procurement procedures, the District will take into consideration any amount of donated services offered in the submitted proposal; however, the District cannot avoid the required procurement process regardless of donations offered.
HYPO – PROMISES

• Can a school-support organization fundraising money for the benefit of the District make promises to potential donors about the use of the donation?
  • Depends.
  • Without explicit written authorization from the District, school-support organizations are not authorized to speak on behalf of the District or make promises of District action.
  • The District may authorize school-support organizations to seek donations for specific purposes, programs or projects, however, and in that case the organization would be permitted to communicate that information to potential donors.
