

2019 - 2020 ATHLETICS ADVERTISING REVENUE SHARE PROGRAM AGREEMENT
FOR APPROVED LISD BOOSTER CLUBS

Leander Independent School District offers a voluntary revenue share program to approved booster clubs that support various high school programs. Through the LISD Athletics Advertising Program, approved LISD Booster Clubs receive District approval to solicit banner/signage and digital scoreboard advertising as outlined in the LISD Athletics Advertising Revenue Share Guidelines. The current revenue distribution allows 75% of this advertising revenue to remain with the participating booster club and 25% to go to the District's general fund.

Booster clubs that do not follow the revenue share guidelines may be subject to disqualification and removal from this opportunity. Approved booster clubs that participate in the program must maintain their updated contact information with LISD School/Community Relations and Business Services at all times and be in good standing.

This agreement is established between Leander Independent School District and the booster club indicated below.

_____, an approved LISD Booster Club, requests to participate in the LISD Athletics Advertising Program for the 2019-2020 school year and will abide by the LISD Athletics Advertising Revenue Share Guidelines.

As representatives of this booster club, we acknowledge we have read and fully understand the 2019-2020 Athletics Advertising Revenue Share Guidelines as provided to us by the District. Furthermore, we agree that our booster club will be held fiscally responsible for all revenue share advertising payments made to the District. We also understand that advertising banners/signs will NOT be installed without payment received AND artwork approved. ***This completed agreement MUST BE ON FILE in order to participate.
