NEW
NCAA Division I
Initial-Eligibility
Academic Requirements
There are new requirements for college-bound student-athletes enrolling full time at an NCAA Division I college or university on or after **August 1, 2015**.
NEW NCAA Division I Initial-Eligibility Academic Requirements

For college-bound student-athletes enrolling full time at an NCAA Division I college or university on or after August 1, 2015, there are three possible academic outcomes:

1. Full qualifier = competition, athletics aid (scholarship), and practice the first year.

2. Academic redshirt = athletics aid the first year, practice in first regular academic term (semester or quarter).

3. Nonqualifier = no athletics aid, practice or competition the first year.
Summary of Changes

- Minimum core-course GPA of 2.300 required;
- Change in GPA/test score index (sliding scale); and
- Ten core courses required before beginning of senior year.

The following slides explain these changes in further detail.
Students will need to meet the following requirements to receive **athletics aid, practice and compete** their first year:

- **16 core courses in the following areas:**
  - 4 years English;
  - 3 years math at Algebra I level or higher;
  - 2 years natural or physical science (one lab if offered at any high school attended);
  - 1 year additional English, math or natural/physical science;
  - 2 years social science; and
  - 4 years additional from areas above or foreign language, philosophy or comparative religion.

- **Minimum required GPA:**
  - Minimum GPA of **2.300** in those 16 core courses.

- Graduate from high school.
NCAA Division I Full Qualifier: Requirements for Athletics Aid, Practice and Competition

• Competition sliding scale. *(The full sliding scale can be found at www.eligibilitycenter.org under Resources.)*
  - Minimum sum ACT or SAT (critical reading and math only) score that matches the 16 core-course GPA.
    - Example: 2.500 core-course GPA requires 1000 SAT or 85 sum ACT.
    - Example: 820 SAT or 68 sum ACT requires core-course GPA of 2.950.
• Core-course progression.
  ▪ Must complete 10 core courses before seventh semester of high school (e.g., senior year).
  ▪ Of the 10 core courses completed, seven must be in the area of **English, math, or science.**
  ▪ These 10 core courses become “locked in” for the purpose of GPA calculation.
    o A repeat of one of the “locked in” courses will not be used if taken after the seventh semester begins.

Academic Redshirt: Requirements for Scholarship and Practice

If a college-bound student-athlete meets these requirements, he/she can receive an **athletics scholarship** during his/her first year at an NCAA Division I college or university.

If he/she meets these requirements, he/she can **practice** during his/her first term (e.g., semester, quarter) at a Division I college or university.

- After the first semester or quarter is complete, in order to **continue** to **practice** for the rest of the year, the student must be academically successful at the collegiate level.
What If A Student Does Not Meet Either Set of Requirements?

If a college-bound student-athlete does not meet either set of requirements, he/she is a **nonqualifier**.

A **nonqualifier**:
- Cannot receive athletics aid during the first year at an NCAA Division I college or university.
- Cannot practice or compete during the first year at a Division I college or university.
