**PROGRAM OF STUDY**

The Cosmetology and Personal Care Services program of study introduces students to knowledge and skills related to providing beauty and personal care services. Students coordinate integration of academic, career, and technical knowledge and skills in this laboratory instructional program to provide job-specific training for employment in cosmetology careers. Instruction includes sterilization and sanitation procedures, hair care, nail care, and skin care and meets the TDLR requirements for licensure upon passing the state examination. Analysis of career opportunities, license requirements, knowledge and skills expectations, and development of workplace skills are included.
